| Product Description: | Apple 12.9-inch iPad Pro Wi-Fi + Cellular - 6th generation - tablet - 128 GB - 12.9" - 3G, 4G, 5G |
| Product Type:        | Tablet                                                                                            |
| Display:             | 12.9" IPS Mini LED backlight - 2732 x 2048 (264 ppi) - Multi-Touch                                |
| Processor:           | Apple M2 (8-core)                                                                                 |
| Storage:             | 128 GB                                                                                            |
| RAM:                 | 8 GB                                                                                              |
| Cellular Technology: | 3G, 4G, 5G                                                                                        |

## General

|                   |                 |
|-------------------|-----------------|
| Product Type:     | Tablet          |
| Operating System: | Apple iPadOS 16 |

## Display

|                   |                                |
|-------------------|--------------------------------|
| Type:             | 12.9" IPS - Mini LED backlight |
| Resolution:       | 2732 x 2048 (264 ppi)          |
| Touchscreen:      | Multi-Touch                    |
| Image Brightness: | 600 cd/m <sup>2</sup>          |

Features: Anti-reflective, BFR/PVC-free, Mercury free, arsenic-free glass, beryllium free, fully laminated display, True Tone display, ProMotion technology, HDR10 compatible, fingerprint-resistant oleophobic coating, HLG gamma, Liquid Retina display, P3 Wide Color Gamut, Extreme Dynamic Range (XDR), Apple Pencil (2nd generation) support, Dolby Vision, 2D backlighting system, 1000 cd/m<sup>2</sup> max full-screen brightness, 1600 cd/m<sup>2</sup> peak brightness (HDR), 1.8% reflectivity, Audio Description, Live Captions, 2596 local dimming zones

## Processor

|                  |          |
|------------------|----------|
| Processor:       | Apple M2 |
| Number of Cores: | 8-core   |

## Environmental Parameters

|                            |                         |
|----------------------------|-------------------------|
| Min Operating Temperature: | 0                       |
| Max Operating Temperature: | 35                      |
| Humidity Range Operating:  | 5 - 95% (no condensing) |
| Min Storage Temperature:   | -20                     |
| Max Storage Temperature:   | 45                      |
| Max Altitude Operating:    | 3 k                     |

## Manufacturer Warranty

|                    |                                                                       |
|--------------------|-----------------------------------------------------------------------|
| Service & Support: | Limited warranty year   Technician support - phone consulting - 90 da |
|--------------------|-----------------------------------------------------------------------|

| Focus Adjustment:  | Automatic                                                                                                                                                                                                                                                                                                                                                                                      |
| Lens Aperture:     | F/1.8                                                                                                                                                                                                                                                                                                                                                                                          |
| Lens Element Qty:  | 5-element                                                                                                                                                                                                                                                                                                                                                                                      |
| HDR Mode:          | Smart HDR 4                                                                                                                                                                                                                                                                                                                                                                                    |
| Camera Modes:      | Burst mode, Panorama, Time-lapse mode, Slow motion mode, wide colour capture for photos and Live Photos, Wide                                                                                                                                                                                                                                                                                  |
| Light Source:      | Brighter True Tone flash                                                                                                                                                                                                                                                                                                                                                                       |
| Video Resolutions: | 1920 x 1080 (1080p) at 30 fps, 1920 x 1080 (1080p) at 60 fps, 1280 x 720 (720p) at 30 fps, Slo-mo video 1920 x 1080 (1080p) at 120 fps, 3840 x 2160 (4K) at 30 fps, 3840 x 2160 (4K) at 60 fps, 3840 x 2160 (4K) at 24 fps, 1920 x 1080 (1080p) at 25 fps, Slo-mo video 1920 x 1080 (1080p) at 240 fps, 3840 x 2160 (4K) at 25 fps                                                             |
| Features:          | Sapphire crystal lens cover, Cinematic video stabilisation, Focus Pixels, Cinematic video stabilisation, Playback zoom, geotagging, Stereo Recording, Continuous autofocus video, Time-lapse video with stabilisation, Advanced red-eye correction, Panorama (up to 63MP), HEIF image capture, Audio zoom, Extended dynamic range for video at 30 fps, 2x optical zoom out, JPEG image capture |

Dimensions & Weight

|         |          |
|---------|----------|
| Width:  | 21.49 cm |
| Depth:  | 0.64 cm  |
| Height: | 28.06 cm |
| Weight: | 685 g    |

Miscellaneous

|                |                                                                                                    |
|----------------|----------------------------------------------------------------------------------------------------|
| Colour:        | Space grey                                                                                         |
| Case Material: | Aluminum                                                                                           |
| Sensors:       | Accelerometer, ambient light sensor, 3-axis gyro sensor, digital compass, barometer, LiDAR scanner |

|                       |                                                                                                                                                                                                                                                                                                                                                          |
|-----------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Features:             | VoiceOver screen reader, AirPlay Dictation, AssistiveTouch, iBeacon, microlocation, Voice Control, rounded corners, 2x2 MIMO function, Magnifier, Closed Captions, Switch Control, 16-core Neural Engine, Spoken Content, Spatial Audio, 10 GB/s memory bandwidth, hands-free, video decode engine, video encode engine, ProRes encode and decode engine |
| Included Accessories: | 20W USB power adapter                                                                                                                                                                                                                                                                                                                                    |
| Cables Included:      | USB-C charging cable - 1                                                                                                                                                                                                                                                                                                                                 |
| SAR Value:            | 0.99 W/kg                                                                                                                                                                                                                                                                                                                                                |
| Pricing Type:         | Denmark                                                                                                                                                                                                                                                                                                                                                  |

Second Rear Camera

|                      |                                        |
|----------------------|----------------------------------------|
| Sensor Resolution:   | 10 Megapixel                           |
| Lens Aperture:       | F/2.4                                  |
| Field of View (FoV): | 125 degree(s)                          |
| Features:            | Ultra-wide angle shot, Lens correction |

Front Camera

|                    |              |
|--------------------|--------------|
| Sensor Resolution: | 12 Megapixel |
| Lens Aperture:     | F/2.4        |

|                      |               |
|----------------------|---------------|
| Field of View (FoV): | 122 degree(s) |
|----------------------|---------------|

|           |             |
|-----------|-------------|
| HDR Mode: | Smart HDR 4 |
|-----------|-------------|

|               |                                                                                                                                                                                    |
|---------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Camera Modes: | Burst mode, Time-lapse mode, Portrait mode with advanced bokeh and Depth Control, Portrait Lighting, wide colour capture for photos and Live Photos, Ultra Wide Mode, Centre Stage |
|---------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

|                  |                                                            |
|------------------|------------------------------------------------------------|
| Special Effects: | Natural, Studio, Contour, Stage, Stage Mono, High-Key Mono |
|------------------|------------------------------------------------------------|

|               |              |
|---------------|--------------|
| Light Source: | Retina Flash |
|---------------|--------------|

|                    |                                                                                             |
|--------------------|---------------------------------------------------------------------------------------------|
| Video Resolutions: | 1920 x 1080 (1080p) at 30 fps, 1920 x 1080 (1080p) at 60 fps, 1920 x 1080 (1080p) at 25 fps |
|--------------------|---------------------------------------------------------------------------------------------|

|           |                                                                                                                                                                                                                  |
|-----------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Features: | FaceTime HD camera, Auto image stabilisation, Animoji, Memoji, TrueDepth camera, Cinematic video stabilisation, Extended dynamic range for video at 30 fps, Time-lapse video with stabilisation, Lens correction |
|-----------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

Navigation System

|           |          |
|-----------|----------|
| Receiver: | GPS/GNSS |
|-----------|----------|

Multimedia

|           |                  |
|-----------|------------------|
| Graphics: | Apple M2 10-core |
|-----------|------------------|

|                                    |                                                                                |
|------------------------------------|--------------------------------------------------------------------------------|
| Supported Digital Audio Standards: | AAC, MP3, FLAC, Apple Lossless, Dolby Atmos, Dolby Digital, Dolby Digital Plus |
|------------------------------------|--------------------------------------------------------------------------------|

|                                    |                                 |
|------------------------------------|---------------------------------|
| Supported Digital Video Standards: | H.264, HEVC, ProRes, ProRes RAW |
|------------------------------------|---------------------------------|

|        |                              |
|--------|------------------------------|
| Audio: | 5 microphones, four speakers |
|--------|------------------------------|

Input Device

|                   |         |
|-------------------|---------|
| Security Devices: | Face ID |
|-------------------|---------|

Battery

|             |                 |
|-------------|-----------------|
| Technology: | Lithium polymer |
|-------------|-----------------|

|           |          |
|-----------|----------|
| Capacity: | 40.88 Wh |
|-----------|----------|

|           |                |
|-----------|----------------|
| Run Time: | Up to 10 hours |
|-----------|----------------|

|                   |                                                                                                                                          |
|-------------------|------------------------------------------------------------------------------------------------------------------------------------------|
| Run Time Details: | Web browsing over Wi-Fi: up to 10 hour(s) ; Video playback: up to 10 hour(s) ; Web browsing over cellular data network: up to 10 hour(s) |
|-------------------|------------------------------------------------------------------------------------------------------------------------------------------|

Expansion and Connectivity

|             |                                                                                |
|-------------|--------------------------------------------------------------------------------|
| Interfaces: | 1 x Thunderbolt 3/DisplayPort/USB-C ; 1 x Smart Connector ; Magnetic connector |
|-------------|--------------------------------------------------------------------------------|

System Requirements for PC Connection

|              |                                                           |
|--------------|-----------------------------------------------------------|
| OS Required: | Windows 10 or later ; Apple macOS Catalina 10.15 or later |
|--------------|-----------------------------------------------------------|

Software

Software

|           |                    |
