| SKU                  | MHW-WZ4G4-HEN2                                                                                   |
| Product Description: | Bosch MHW-WZ4G4-HEN2 Z4G4 Workstation - MT - Xeon W-2123 3.6 GHz - vPro - 8 GB - HDD 500 GB - US |
| Type:                | Workstation - mini tower                                                                         |
| Platform Technology: | Intel vPro Platform                                                                              |
| Height (Rack Units): | 4U                                                                                               |
| Localisation:        | Region: United States                                                                            |
| Processor:           | 1 x Intel Xeon W-2123 / 3.6 GHz (, up to 3.9 GHz, (Quad-Core)                                    |
| Processor Socket:    | LGA2066 Socket                                                                                   |

## General

|                      |                       |
|----------------------|-----------------------|
| Platform Technology: | Intel vPro Platform   |
| Type:                | Workstation           |
| Product Form Factor: | Mini tower - 4U       |
| Localisation:        | Region: United States |

## Environmental Parameters

|                            |                           |
|----------------------------|---------------------------|
| Min Operating Temperature: | 5 °C                      |
| Max Operating Temperature: | 35 °C                     |
| Humidity Range Operating:  | 10 - 85% (non-condensing) |

## Processor / Chipset

|                          |                                                            |
|--------------------------|------------------------------------------------------------|
| CPU:                     | Intel Xeon W-2123                                          |
| Clock Speed:             | 3.6 GHz                                                    |
| Max Turbo Speed:         | 3.9 GHz                                                    |
| Number of Cores:         | Quad-Core                                                  |
| CPU Qty:                 | 1                                                          |
| Max CPU Qty:             | 1                                                          |
| CPU Upgradability:       | Upgradable                                                 |
| Processor Main Features: | Hyper-Threading Technology, Intel Turbo Boost Technology 2 |
| CPU Socket:              | LGA2066 Socket                                             |
| Chipset Type:            | Intel C422                                                 |

## Dimensions & Weight

|         |         |
|---------|---------|
| Width:  | 16.9 cm |
| Depth:  | 44.5 cm |
| Height: | 38.6 cm |

## Manufacturer Warranty

|                    |                                                                                            |
|--------------------|--------------------------------------------------------------------------------------------|
| Service & Support: | Limited warranty - parts and labour - 3 years - on-site - response time: next business day |
|--------------------|--------------------------------------------------------------------------------------------|

## Sustainability Information

|                        |     |
|------------------------|-----|
| ENERGY STAR Certified: | Yes |
|------------------------|-----|

## Operating System / Software

## Cache Memory

|                      |         |
|----------------------|---------|
| Installed Size:      | 8.25 MB |
| Cache Per Processor: | 8.25 MB |

## RAM

|                         |                       |
|-------------------------|-----------------------|
| Installed Size:         | 8 GB                  |
| Technology:             | DDR4 SDRAM - ECC      |
| Effective Memory Speed: | 2666 MHz              |
| Rated Memory Speed:     | 2666 MHz              |
| Form Factor:            | DIMM 288-pin          |
| Slots:                  | 8 (Total) / 7 (empty) |
| Features:               | Registered            |
| Configuration Features: | 1 x 8 GB              |

## Hard Drive

|                 |            |
|-----------------|------------|
| Type:           | HDD        |
| Capacity:       | 1 x 500 GB |
| Interface Type: | SATA       |
| Spindle Speed:  | 7200 rpm   |

## Storage Controller

|                            |            |
|----------------------------|------------|
| Type:                      | SATA       |
| Controller Interface Type: | SATA 6Gb/s |

## Floppy Drive

|       |                     |
|-------|---------------------|
| Type: | 3.5" 1.44 MB floppy |
|-------|---------------------|

## Monitor

|               |       |
|---------------|-------|
| Monitor Type: | None. |
|---------------|-------|

## Operating System / Software

|              |                               |
|--------------|-------------------------------|
| OS Provided: | Windows 10 Pro 64-bit Edition |
|--------------|-------------------------------|

## Power

|                          |                         |
|--------------------------|-------------------------|
| Device Type:             | Power supply            |
| Voltage Required:        | AC 120/230 V (50/60 Hz) |
| Power Provided:          | 750 Watt                |
| Power Consumption Sleep: | 15 Watt                 |
| 80 PLUS Certification:   | 80 PLUS                 |
| Efficiency:              | 90%                     |
| Power Factor Correction: | Yes (active)            |

## Miscellaneous

|                      |            |
|----------------------|------------|
| Compliant Standards: | RoHS, WEEE |
|----------------------|------------|

## Expansion / Connectivity

|        |                                                        |
|--------|--------------------------------------------------------|
| Slots: | 1 PCIe x8   2 PCIe 3.0 x4   2 PCIe 3.0 x4   2 PCIe x16 |
|--------|--------------------------------------------------------|

## Networking

|                     |                                           |
|---------------------|-------------------------------------------|
| Data Link Protocol: | Ethernet, Fast Ethernet, Gigabit Ethernet |
|---------------------|-------------------------------------------|

## Mouse

|             |         |
|-------------|---------|
| Technology: | Optical |
| Interface:  | USB     |

## Keyboard

|                        |     |
|------------------------|-----|
| Interface:             | USB |
| Localization & Layout: | US  |

## Input Device

|       |                 |
|-------|-----------------|
| Type: | Mouse, keyboard |
|-------|-----------------|

## Graphics Controller

|                     |                     |
|---------------------|---------------------|
| Graphics Processor: | NVIDIA Quadro P2000 |
| Video Memory:       | 5 GB                |

## Graphics Controller

Video Interfaces:

DVI, DisplayPort
