

# CORSAIR Vengeance LPX - DDR4 - module - 16 GB - DIMM 288-pin - 2400 MHz / PC4-19200 - unbuffered

11-05-2024

|                       |                                                                                                  |
|-----------------------|--------------------------------------------------------------------------------------------------|
| SKU                   | CMK16GX4M1A2400C14                                                                               |
| Product Description:  | CORSAIR Vengeance LPX - DDR4 - module - 16 GB - DIMM 288-pin - 2400 MHz / PC4-19200 - unbuffered |
| Product Type:         | Memory module                                                                                    |
| Capacity:             | 16 GB                                                                                            |
| Memory Type:          | DDR4 SDRAM - DIMM 288-pin                                                                        |
| Upgrade Type:         | Generic                                                                                          |
| Data Integrity Check: | Non-ECC                                                                                          |
| Speed:                | 2400 MHz (PC4-19200)                                                                             |

General

|               |         |
|---------------|---------|
| Capacity:     | 16 GB   |
| Upgrade Type: | Generic |

Manufacturer Warranty

|                    |                           |
|--------------------|---------------------------|
| Service & Support: | Limited lifetime warranty |
|--------------------|---------------------------|

Miscellaneous

|                  |       |
|------------------|-------|
| Colour Category: | Black |
|------------------|-------|

Memory

|       |                    |
|-------|--------------------|
| Type: | DRAM memory module |
|-------|--------------------|

|             |            |
|-------------|------------|
| Technology: | DDR4 SDRAM |
|-------------|------------|

|              |              |
|--------------|--------------|
| Form Factor: | DIMM 288-pin |
|--------------|--------------|

|        |                      |
|--------|----------------------|
| Speed: | 2400 MHz (PC4-19200) |
|--------|----------------------|

|                  |                    |
|------------------|--------------------|
| Latency Timings: | CL14 (14-16-16-31) |
|------------------|--------------------|

|                       |         |
|-----------------------|---------|
| Data Integrity Check: | Non-ECC |
|-----------------------|---------|

|           |                                                                                                                                                                                   |
|-----------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Features: | Black heatsink, 8 Layers PCB heatspreader, Black PCB, anodized aluminum heatspreader, Intel Extreme Memory Profiles (XMP 2.0), Vengeance LPX low profile heatspreader, unbuffered |
|-----------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

|          |       |
|----------|-------|
| Voltage: | 1.2 V |
|----------|-------|

|                  |                                                                                              |
|------------------|----------------------------------------------------------------------------------------------|
| RAM Performance: | SPD - 2133 MHz - 1.2 V - CL15 - 15-15-15-36   Tested - 2400 MHz - 1.2 V - CL14 - 14-16-16-31 |
|------------------|----------------------------------------------------------------------------------------------|
