| SKU                  | SFP-C0003                                                     |
| Product Description: | DELTACO SFP-C0003 - SFP (mini-GBIC) transceiver module - 1GbE |
| Device Type:         | SFP (mini-GBIC) transceiver module - LC multi-mode            |
| Form Factor:         | Plug-in module                                                |
| Cabling Type:        | 1000Base-SX                                                   |
| Data Transfer Rate:  | 1 Gbps                                                        |
| Optical Wave Length: | 850 nm                                                        |
| Data Link Protocol:  | 1GbE                                                          |

## General

|              |                                    |
|--------------|------------------------------------|
| Device Type: | SFP (mini-GBIC) transceiver module |
| Form Factor: | Plug-in module                     |

## Compatibility Information

## Networking

|                          |             |
|--------------------------|-------------|
| Connectivity Technology: | Wired       |
| Cabling Type:            | 1000Base-SX |
| Data Link Protocol:      | 1GbE        |
| Data Transfer Rate:      | 1 Gbps      |
| Optical Wave Length:     | 850 nm      |
| Max Transfer Distance:   | 550 m       |

## Expansion / Connectivity

|             |                                                 |
|-------------|-------------------------------------------------|
| Interfaces: | 1 x Ethernet 1000Base-SX - LC multi-mode<br>x 2 |
|-------------|-------------------------------------------------|

## Manufacturer Warranty

|                    |                            |
|--------------------|----------------------------|
| Service & Support: | Limited warranty - 3 years |
|--------------------|----------------------------|
