| Product Description:     | Elo I-Series 3 - all-in-one - Core i3 i3-1215UL 1.2 GHz - 8 GB - SSD 128 GB - LED 17" |
| Type:                    | Personal computer - all-in-one                                                        |
| Localisation:            | Region: Worldwide                                                                     |
| Processor:               | Intel Core i3 (12th Gen) i3-1215UL / 1.2 GHz (, up to 4.4 GHz, (6-core)               |
| Processor Main Features: | Intel Turbo Boost Technology 2                                                        |
| Cache Memory:            | 10 MB                                                                                 |
| Cache Per Processor:     | 10 MB                                                                                 |

## General

|                      |                                                 |
|----------------------|-------------------------------------------------|
| Type:                | Personal computer                               |
| Product Form Factor: | All-in-one                                      |
| Embedded Security:   | Trusted Platform Module (TPM 2.0) Security Chip |
| Colour:              | Black                                           |
| Localisation:        | Region: Worldwide                               |

## Processor / Chipset

|                          |                                     |
|--------------------------|-------------------------------------|
| CPU:                     | Intel Core i3 (12th Gen) i3-1215UL  |
| Clock Speed:             | 1.2 GHz                             |
| Max Turbo Speed:         | 4.4 GHz (P-core) / 2.5 GHz (E-core) |
| Number of Cores:         | 6-core                              |
| CPU Qty:                 | 1                                   |
| Max CPU Qty:             | 1                                   |
| Processor Main Features: | Intel Turbo Boost Technology 2      |

## Cache Memory

|                      |       |
|----------------------|-------|
| Installed Size:      | 10 MB |
| Cache Per Processor: | 10 MB |

## Environmental Parameters

|                            |                           |
|----------------------------|---------------------------|
| Min Operating Temperature: | 0 °C                      |
| Max Operating Temperature: | 35 °C                     |
| Humidity Range Operating:  | 20 - 80% (non-condensing) |

## Dimensions & Weight (Shipping)

|                  |         |
|------------------|---------|
| Shipping Width:  | 52.9 cm |
| Shipping Depth:  | 31.5 cm |
| Shipping Height: | 53.9 cm |
| Shipping Weight: | 12.4 kg |

## Dimensions & Weight

|         |          |
|---------|----------|
| Width:  | 39.34 cm |
| Depth:  | 20.56 cm |
| Height: | 37.12 cm |
| Weight: | 9.6 kg   |

## Manufacturer Warranty

|                    |                            |
|--------------------|----------------------------|
| Service & Support: | Limited warranty - 3 years |
|--------------------|----------------------------|

## Sustainability Information

RAM

|                         |                       |
|-------------------------|-----------------------|
| Installed Size:         | 8 GB / 32 GB (max)    |
| Technology:             | DDR5 SDRAM            |
| Effective Memory Speed: | 4800 MHz              |
| Rated Memory Speed:     | 4800 MHz              |
| Form Factor:            | SO-DIMM 262-pin       |
| Slots:                  | 2 (Total) / 1 (empty) |
| Configuration Features: | 1 x 8 GB              |

Hard Drive

|                 |                    |
|-----------------|--------------------|
| Type:           | SSD - M.2          |
| Capacity:       | 1 x 128 GB         |
| Interface Type: | PCI Express        |
| SSD Endurance:  | 80 TB              |
| Features:       | NVM Express (NVMe) |

Optical Storage

|       |                  |
|-------|------------------|
| Type: | No optical drive |
|-------|------------------|

Sustainability Information

|                        |     |
|------------------------|-----|
| ENERGY STAR Certified: | Yes |
| ENERGY STAR Version:   | 8.0 |

Operating System / Software

|              |                     |
|--------------|---------------------|
| OS Provided: | No operating system |
|--------------|---------------------|

Power

|                                |                         |
|--------------------------------|-------------------------|
| Device Type:                   | Power adapter           |
| Voltage Required:              | AC 100/240 V (50/60 Hz) |
| Power Provided:                | 180 Watt                |
| Power Consumption Operational: | 34 Watt                 |

Miscellaneous

|                             |                                                                                   |
|-----------------------------|-----------------------------------------------------------------------------------|
| Included Accessories:       | Stand, mount screw, cable tie                                                     |
| Cables Included:            | RJ-50 to DB-9 cable                                                               |
| Theft/Intrusion Protection: | Security lock slot (cable lock sold separately)                                   |
| Security Slot Type:         | Kensington security slot                                                          |
| VESA Mounting Interface:    | 100 x 100 mm, VESA                                                                |
| Compliant Standards:        | UL, TUV, VCCI, cUL, CB, MIC, ANATEL, RCM, CoC, Mexico NOM, UKCA, Argentina S-Mark |

Expansion / Connectivity

|             |                                                                                                                                                                                                                                                       |
|-------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Interfaces: | 1 x headphones/microphone ; 1 x LAN (Gigabit Ethernet) ; 4 x USB 3.0 ; 4 x USB - micro-USB ; 1 x PoweredUSB (24 V) ; 2 x PoweredUSB (12 V) ; 1 x serial - RJ-50 (powered) ; 1 x cash drawer (12V/24 V) ; 1 x DisplayPort/USB-C 3.0 (27 Watt charging) |
|-------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

Networking

|                         |     |
|-------------------------|-----|
| Wireless LAN Supported: | Yes |
|-------------------------|-----|

## Networking

|                     |                                                                                                                                           |
|---------------------|-------------------------------------------------------------------------------------------------------------------------------------------|
| Data Link Protocol: | Ethernet, Fast Ethernet, Gigabit Ethernet, IEEE 802.11b, IEEE 802.11a, IEEE 802.11g, IEEE 802.11n, IEEE 802.11ac, 802.11ax, Bluetooth 5.2 |
|---------------------|-------------------------------------------------------------------------------------------------------------------------------------------|

## Audio Output

|                    |                          |
|--------------------|--------------------------|
| Sound Output Mode: | Stereo                   |
| Speakers Included: | 2 x right / left channel |

## Graphics Controller

|                     |                    |
|---------------------|--------------------|
| Graphics Processor: | Intel UHD Graphics |
|---------------------|--------------------|

## Monitor

|                           |                                                                                                               |
|---------------------------|---------------------------------------------------------------------------------------------------------------|
| Monitor Type:             | LED                                                                                                           |
| Touchscreen:              | Yes (10-point multi-touch)                                                                                    |
| Diagonal Size:            | 17"                                                                                                           |
| Native Resolution:        | 1280 x 1024 (SXGA)                                                                                            |
| V-Sync Rate at Max Res.:  | 60 Hz                                                                                                         |
| Widescreen Display:       | Yes                                                                                                           |
| Image Aspect Ratio:       | 5:4                                                                                                           |
| Horizontal Viewing Angle: | +85 / -85                                                                                                     |
| Vertical Viewing Angle:   | +80 / -80                                                                                                     |
| Response Time:            | 25 ms                                                                                                         |
| Image Brightness:         | 250 cd/m <sup>2</sup>                                                                                         |
| Image Contrast Ratio:     | 1000:1                                                                                                        |
| Monitor Features:         | Anti-glare, Zero-Bezel Design, TouchPro Pro Projected Capacitive (PCAP) technology, 16.7 million colour depth |
