

# Epson EB-L630U - 3LCD projector - LAN - white

In Stock(12)

|                      |                                               |
|----------------------|-----------------------------------------------|
| SKU                  | V11HA26040                                    |
| Product Description: | Epson EB-L630U - 3LCD projector - LAN - white |
| Device Type:         | 3LCD projector - 1080p                        |
| Colour:              | White                                         |
| Built-in Devices:    | Speaker                                       |
| Brightness:          | 6200 lumens                                   |
| Contrast Ratio:      | 2500000:1 (dynamic)                           |
| Resolution:          | WUXGA (1920 x 1200)                           |

## General

|                   |                        |
|-------------------|------------------------|
| Device Type:      | 3LCD projector - 1080p |
| Built-in Devices: | Speaker                |
| Networking:       | Ethernet               |
| Enclosure Colour: | White                  |

## Projector

|                         |                                                                          |
|-------------------------|--------------------------------------------------------------------------|
| Brightness:             | 6200 lumens                                                              |
| Brightness (Reduced):   | 4340 lumens                                                              |
| Contrast Ratio:         | 2500000:1 (dynamic)                                                      |
| Image Size:             | 127 cm - 1270 cm                                                         |
| Projection Distance:    | 1.4 m - 23.84 m                                                          |
| Throw Ratio:            | 1.35 - 2.2:1                                                             |
| Resolution:             | WUXGA - WUXGA (1920 x 1200)                                              |
| Native Aspect Ratio:    | 16:10                                                                    |
| Colour Support:         | 1.07 billion colours                                                     |
| Bulb type:              | Laser                                                                    |
| Bulb life cycle:        | Up to 20000 hour(s) - normal mode<br>Up to 30000 hour(s) - economic mode |
| Controls & Adjustments: | Mute, volume                                                             |

## Environmental Parameters

|                                 |          |
|---------------------------------|----------|
| Humidity Range Operating:       | 20 - 80% |
| Sound Emission:                 | 38 dBA   |
| Sound Emission (Economic Mode): | 27 dBA   |

## Manufacturer Warranty

|                    |                                       |
|--------------------|---------------------------------------|
| Service & Support: | Limited warranty - 3 years - carry-in |
|--------------------|---------------------------------------|

## Dimensions & Weight (Shipping)

|                  |          |
|------------------|----------|
| Shipping Width:  | 53.1 cm  |
| Shipping Depth:  | 56.4 cm  |
| Shipping Height: | 20.3 cm  |
| Shipping Weight: | 11.81 kg |

## Dimensions & Weight

|         |         |
|---------|---------|
| Width:  | 44 cm   |
| Depth:  | 33.9 cm |
| Height: | 13.6 cm |
| Weight: | 8.4 kg  |

## Software / System Requirements

|                    |                   |
|--------------------|-------------------|
| Software Included: | Epson iProjection |
|--------------------|-------------------|

## Power

|               |    |
|---------------|----|
| Power Source: | AC |
|---------------|----|

## Projector

|           |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
|-----------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Features: | sRGB colour profile, JPEG photo playback, Edge blending, EPSON 3LCD technology, Crystal Clear Fine (C2 Fine), Split Screen, PJlink, DICOM Simulation Mode, AMX Device Discovery, Dynamic Mode, full 10-bit image processing, auto power on, Crestron Integrated Partner, SNMP support, Extron XTP certified, Control4 SDDP, Presentation Mode, Extron IPLink certified, Auto Source Detection, Cinema Mode, RGB liquid crystal shutter, Super Resolution, 16:6 aspect ratio support |
|-----------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

## Lens

|                                 |                      |
|---------------------------------|----------------------|
| Focus Type:                     | Manual               |
| Lens Aperture:                  | F/1.5 -1.7           |
| Zoom Type:                      | Manual               |
| Zoom Factor:                    | 1.6x                 |
| Keystone Correction Direction:  | Horizontal, vertical |
| Vertical Keystone Correction:   | -30 / +30            |
| Horizontal Keystone Correction: | -30 / +30            |
| Lens Shift Type:                | Manual               |
| Vertical Lens Shift:            | 50% / 50%            |
| Horizontal Lens Shift:          | 20% / 20%            |

## Video Input

|                                                |                    |
|------------------------------------------------|--------------------|
| Video Interfaces:                              | VGA, HDMI, HDBaseT |
| LAN and Wireless Image Transferring Protocols: | Wired LAN          |

## Power

|                                |                           |
|--------------------------------|---------------------------|
| Voltage Required:              | AC 120/230 V (50 - 60 Hz) |
| Power Consumption Operational: | 345 Watt                  |
| Power Consumption Stand by:    | 0.3 Watt                  |

## Environmental Standards

|                |                            |
|----------------|----------------------------|
| TCO Certified: | TCO Certified Projectors 8 |
|----------------|----------------------------|

## Miscellaneous

|                       |                                                                                                                                  |
|-----------------------|----------------------------------------------------------------------------------------------------------------------------------|
| Included Accessories: | Cable cover, wireless remote control, battery for remote control                                                                 |
| Security Features:    | Security lock slot (cable lock sold separately), password protection, control panel lock, Wireless LAN Lock, security cable hole |
| Security Slot Type:   | Kensington security slot                                                                                                         |
| Compliant Standards:  | IPv6                                                                                                                             |

## Expansion / Connectivity

|             |                                                                                                                                                                                                                                                                           |
|-------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Interfaces: | 2 x USB 2.0 - 4 pin USB Type A   1 x USB 2.0 - 4 pin USB Type B   2 x VGA input   1 x VGA output   2 x HDMI input   1 x HDBaseT   1 x network - RJ-45   2 x audio line-in - mini-phone stereo 3.5 mm   1 x serial RS-232C   1 x audio line-out - mini-phone stereo 3.5 mm |
|-------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

## Speakers

|                         |                   |
|-------------------------|-------------------|
| Type:                   | Integrated        |
| Sound Output Mode:      | Mono              |
| Output Power / Channel: | 10 Watt           |
| Speakers:               | 1 x mixed channel |
