| Product Description:             | Epson SureColor SC-P8000 - large-format printer - colour - ink-jet                                                               |
| Printer Type:                    | 44" large-format printer - ink-jet - colour                                                                                      |
| Weight:                          | 135 kg                                                                                                                           |
| Inkjet Technology:               | Epson PrecisionCore TFP                                                                                                          |
| Ink Palette Supported (Colours): | 8-ink - cyan, vivid magenta, yellow, light black, light cyan, vivid light magenta, light light black, photo black or matte black |
| Max Media Size:                  | Roll (111.8 cm)                                                                                                                  |
| Max Media Size (Custom):         | 1118 mm                                                                                                                          |

## General

Printer Type: 44" large-format printer - ink-jet - colour

## Printer

Inkjet Technology: Epson PrecisionCore TFP

Ink Palette Supported (Colours): 8-ink - cyan, vivid magenta, yellow, light black, light cyan, vivid light magenta, light light black, photo black or matte black

Nozzle Configuration: 8 x 360 nozzles

Minimum Ink Droplet Size: 3.5 pl

Ink Cartridge Configuration: 9 cartridges (1 each: cyan, vivid magenta, yellow, light black, light cyan, vivid light magenta, light light black, photo black, matte black)

Ink Type: Epson UltraChrome HD Ink

Connectivity Technology: Wired

Interface: USB 2.0, Gigabit LAN

Max Resolution (B&W): 2880 x 1440 dpi

## Dimensions & Weight

|         |        |
|---------|--------|
| Width:  | 188 cm |
| Depth:  | 66 cm  |
| Height: | 122 cm |
| Weight: | 135 kg |

## Environmental Parameters

|                             |                           |
|-----------------------------|---------------------------|
| Min Operating Temperature:  | 10 °C                     |
| Max Operating Temperature:  | 35 °C                     |
| Humidity Range Operating:   | 20 - 80% (non-condensing) |
| Sound Emission (Operating): | 47 dBA                    |

## Environmental Standards

ENERGY STAR: Yes

## Software / System Requirements

## Printer

|                          |                 |
|--------------------------|-----------------|
| Max Resolution (Colour): | 2880 x 1440 dpi |
| Language Simulation:     | EPSON ESC/P     |
| Cutter:                  | Yes             |

## RAM

|                      |        |
|----------------------|--------|
| RAM Installed (Max): | 256 MB |
|----------------------|--------|

## Media Handling

|                          |                                                                                                                                                                                                                                                                         |
|--------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Max Media Size:          | Roll (111.8 cm)                                                                                                                                                                                                                                                         |
| Max Media Size (Custom): | 1118 mm                                                                                                                                                                                                                                                                 |
| Media Sizes:             | A4 (210 x 297 mm), A3 (297 x 420 mm), A2 (420 x 594 mm), A1 (594 x 841 mm), A0 (841 x 1189 mm), B4 (250 x 353 mm), B3 (353 x 500 mm), B2 (500 x 707 mm), B1 (707 x 1000 mm), B0 (1000 x 1414 mm), Roll (111.8 cm), Roll (43.2 cm), Roll (61 cm), A3 Plus (329 x 483 mm) |
| Max Printing Length:     | 13.4 m                                                                                                                                                                                                                                                                  |
| Media Thickness Range:   | 0.08 mm - 1.5 mm                                                                                                                                                                                                                                                        |
| Media Feeders:           | 1 x manual - 1 roll - Roll (111.8 cm)                                                                                                                                                                                                                                   |

## Networking

|             |              |
|-------------|--------------|
| Networking: | Print server |
|-------------|--------------|

## Expansion / Connectivity

|              |                                       |
|--------------|---------------------------------------|
| Connections: | 1 x USB 2.0   1 x Gigabit LAN - RJ-45 |
|--------------|---------------------------------------|

## Software / System Requirements

|              |                                                                                                                                                                                                                                                                                                                                                          |
|--------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| OS Required: | Microsoft Windows 2000, Microsoft Windows Server 2008 R2, Microsoft Windows Server 2003 R2, Microsoft Windows Vista (32/64 bits), Microsoft Windows 7 (32/64 bits), Microsoft Windows XP (32/64 bits), Microsoft Windows Server 2008 (32/64-bits), Microsoft Windows Server 2003 (32/64-bits), Windows 8 (32/64 bits), Windows 8.1, Apple MacOS X 10.9.x |
|--------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

## Power

|                                |                         |
|--------------------------------|-------------------------|
| Power Device:                  | Power supply - internal |
| Frequency Required:            | 50/60 Hz                |
| Power Consumption Operational: | 75 Watt                 |
| Power Consumption Stand by:    | 19 Watt                 |
| Power Consumption Sleep:       | 2 Watt                  |

## Miscellaneous

|                       |                                                                                                                                                                                                                                                                                                                    |
|-----------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Consumables Included: | 1 x ink cartridge (light black)   1 x ink cartridge (light light black)   1 x ink cartridge (vivid light magenta)   1 x ink cartridge (vivid magenta)   1 x ink cartridge (yellow)   1 x ink cartridge (light cyan)   1 x ink cartridge (cyan)   1 x ink cartridge (matte black)   1 x ink cartridge (photo black) |
