Ink Type: Epson UltraChrome XD Ink

Print Speed: Up to 2.14 ppm - colour - A1 (594 x 841 mm) ; Up to 2.14 ppm - B/W - A1 (594 x 841 mm)

Built-in Devices: Status LCD

Connectivity Technology: Wired

Interface: USB, Gigabit LAN

Max Resolution (B&W): 2880 x 1440 dpi

## Dimensions & Weight

|         |          |
|---------|----------|
| Width:  | 105 cm   |
| Depth:  | 81.3 cm  |
| Height: | 111.7 cm |
| Weight: | 67 kg    |

## Environmental Parameters

Sound Emission (Operating): 50 dBA

## Manufacturer Warranty

Service & Support: Limited warranty - 1 year - on-site

## Software / System Requirements

|                    |                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |
|--------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Software Included: | Drivers & Utilities                                                                                                                                                                                                                                                                                                                                                                                                                                                  |
| OS Required:       | Linux, Microsoft Windows XP, Microsoft Windows XP Home Edition, Microsoft Windows XP Professional, Microsoft Windows XP 64-bit Edition, Microsoft Windows 7, Microsoft Windows XP Professional x64 Edition, Microsoft Windows Server 2008 R2, Microsoft Windows 7 64-bit Edition, Apple MacOS X 10.5.8 or later, Microsoft Windows Vista (32/64 bits), Microsoft Windows Server 2003 (32/64-bits), Windows 8 (32/64 bits), Microsoft Windows Server 2012 x64 Edition |

## Printer

|                          |                                                   |
|--------------------------|---------------------------------------------------|
| Max Resolution (Colour): | 2880 x 1440 dpi                                   |
| PostScript Support:      | Included                                          |
| Language Simulation:     | PostScript 3, HP RTL, HP GL/2, EPSON ESC/P Raster |
| Cutter:                  | Yes                                               |

## RAM

|                      |      |
|----------------------|------|
| RAM Installed (Max): | 1 GB |
|----------------------|------|

## Media Handling

|                          |                                                                                                                                                                                       |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Media Type:              | Plain paper                                                                                                                                                                           |
| Max Media Size:          | Roll A1 (61.0 cm)                                                                                                                                                                     |
| Max Media Size (Custom): | 610 mm                                                                                                                                                                                |
| Media Sizes:             | A4 (210 x 297 mm), A3 (297 x 420 mm), A2 (420 x 594 mm), A1 (594 x 841 mm), B4 (250 x 353 mm), B3 (353 x 500 mm), B2 (500 x 707 mm), B1 (707 x 1000 mm), Roll (43.2 cm), Roll (61 cm) |
| Media Thickness Range:   | 0.08 mm - 1.5 mm                                                                                                                                                                      |
| Media Feeders:           | 1 x manual - 1 roll - Roll A1 (61.0 cm)                                                                                                                                               |

## Networking

|             |              |
|-------------|--------------|
| Networking: | Print server |
|-------------|--------------|

## Expansion / Connectivity

|              |                                              |
|--------------|----------------------------------------------|
| Connections: | 1 x USB - 4 pin USB Type B ; 1 x LAN - RJ-45 |
|--------------|----------------------------------------------|

## Power

|                                |                         |
|--------------------------------|-------------------------|
| Power Device:                  | Power supply - internal |
| Frequency Required:            | 50/60 Hz                |
| Power Consumption Operational: | 52 Watt                 |
| Power Consumption Stand by:    | 3 Watt                  |

## Miscellaneous

|                            |                                                                                                                                                                                        |
|----------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Included Accessories:      | Stand                                                                                                                                                                                  |
| Consumables Included:      | 1 x ink cartridge (cyan) ; 1 x ink cartridge (magenta) ; 1 x ink cartridge (yellow) ; 1 x ink cartridge (photo black) ; 1 x ink cartridge (matte black)                                |
| Compatible with Windows 7: | "Compatible with Windows 7" software and devices carry Microsoft's assurance that these products have passed tests for compatibility and reliability with 32-bit and 64-bit Windows 7. |
