| Product Description:   | eSTUFF power adapter - USB, 24 pin USB-C - 32 Watt |
| Product Type:          | Power adapter                                      |
| Weight:                | 82 g                                               |
| Localisation:          | Europe                                             |
| Output Connector Type: | Total 2: USB, 24 pin USB-C                         |
| Voltage Required:      | AC 230 V                                           |
| Max Electric Current:  | 3 A                                                |

## General

|               |                      |
|---------------|----------------------|
| Product Type: | Power adapter        |
| Designed For: | Tablet, mobile phone |
| Weight:       | 82 g                 |
| Localisation: | Europe               |

## Manufacturer Warranty

|                    |                            |
|--------------------|----------------------------|
| Service & Support: | Limited warranty - 2 years |
|--------------------|----------------------------|

## Dimensions & Weight (Shipping)

|                  |      |
|------------------|------|
| Shipping Weight: | 94 g |
|------------------|------|

## Power Device

|                         |                                                                         |
|-------------------------|-------------------------------------------------------------------------|
| Voltage Required:       | AC 230 V                                                                |
| Input Connectors:       | Europlug (power CEE 7/16)                                               |
| Output connectors:      | Total 2: 4 pin USB Type A, 24 pin USB-C                                 |
| Power Provided:         | 32 Watt                                                                 |
| Max Electric Current:   | 3 A                                                                     |
| Power Device Details:   | 24 pin USB-C - 5 V - 20 W - 3 A   4 pin USB Type A - 5 V - 12 W - 2.4 A |
| Fast Charge Technology: | Apple Fast Charge, Power Delivery, Qualcomm Quick Charge 3.0            |
