

# Google Pixel 5 - just black - 5G smartphone - 128 GB - CDMA / GSM

13-05-2024

|                            |                                                                                 |
|----------------------------|---------------------------------------------------------------------------------|
| SKU                        | GA01316-DE                                                                      |
| Product Description:       | Google Pixel 5 - just black - 5G smartphone - 128 GB - CDMA / GSM               |
| Product Type:              | 5G smartphone                                                                   |
| Manufacturer Model Number: | GD1YQ                                                                           |
| Display:                   | OLED display - 2340 x 1080 pixels - 6" - 432 ppi - 19.5:9 - flexible OLED - HDR |
| Processor:                 | Qualcomm Snapdragon 765G 2.4 GHz (8-core)                                       |
| Graphics Accelerator:      | Qualcomm ADRENO 620                                                             |
| Memory:                    | RAM 8 GB / 128 GB                                                               |

## General

|                            |                                                            |
|----------------------------|------------------------------------------------------------|
| Product Type:              | Smartphone                                                 |
| Manufacturer Model Number: | GD1YQ                                                      |
| Form Factor:               | Touch                                                      |
| Protection:                | Dustproof, water-resistant                                 |
| Width:                     | 70.4 mm                                                    |
| Depth:                     | 8 mm                                                       |
| Height:                    | 144.7 mm                                                   |
| Weight:                    | 151 g                                                      |
| Body Colour:               | Just black                                                 |
| Body Material:             | Corning Gorilla Glass 6, 100% recycled aluminium enclosure |
| SAR Value:                 | 1.39 W/kg (body), 0.96 W/kg (head)                         |

## Cellular

|                              |                                  |
|------------------------------|----------------------------------|
| Technology:                  | CDMA2000 1X / GSM / WCDMA (UMTS) |
| Mobile Broadband Generation: | 5G                               |
| Service Provider:            | Not specified                    |
| Operating System:            | Android 11                       |
| Intelligent Assistant:       | Google Assistant                 |

## Manufacturer Warranty

|                    |                            |
|--------------------|----------------------------|
| Service & Support: | Limited warranty - 2 years |
|--------------------|----------------------------|

## Miscellaneous

|                       |                                                                                                  |
|-----------------------|--------------------------------------------------------------------------------------------------|
| Compliant Standards:  | IP68, HAC (Hearing Aid Compatible)                                                               |
| Included Accessories: | SIM card removal tool, Quick switch adapter, 18W USB-C power adapter, USB-C to USB-C cable (1 m) |

## Battery

|                              |                    |
|------------------------------|--------------------|
| Capacity:                    | 4080 mAh           |
| Fast Charging Technology:    | Power Delivery 2.0 |
| Wireless Charging:           | Yes                |
| Wireless Charging Standards: | Qi                 |

## Connections

|                 |                           |
|-----------------|---------------------------|
| Connector Type: | USB Type-C - 24 pin USB-C |
|-----------------|---------------------------|

## Display

|             |               |
|-------------|---------------|
| Type:       | OLED display  |
| Technology: | Flexible OLED |

Cellular

|                |                                       |
|----------------|---------------------------------------|
| Navigation:    | GPS, GLONASS, BeiDou, Galileo, QZSS   |
| SIM Card Type: | Nano SIM, Electronic SIM card (e-SIM) |
| SIM Card Qty:  | Single-SIM                            |
| Input Device:  | Multi-touch                           |

Communications

|                     |                                                                                                                                                                                                                                                                                                                                                    |

| 4G LTE Frequency:   | FDD 2100, FDD 1900 PCS, FDD 1800+, FDD 1700 - 2110 AWS, FDD 850, FDD 2600, FDD 900, FDD 700a, FDD 700c, FDD 700 PS, FDD 700b, FDD 800 lower, FDD 800 upper, FDD 800 DD, FDD 1900+, FDD 850+, FDD 700 APT, FDD 700d, FDD 2300 WCS, FDD 1500 L, TDD 2600, TDD 1900, TDD 2300, TDD 2500, TDD 3500, TDD 5150, TDD 3600, FDD 1700 - 2110 AWS-3, FDD 600 |
| 5G NR Band:         | N1, n2, n3, n5, n7, n8, n28, n41, n66, n71, n77, n78, n260, n261, n12                                                                                                                                                                                                                                                                              |
| 5G NR Frequency:    | FDD 2100, FDD 1900PCS, FDD 1800, FDD 850, FDD 2600, FDD 900, FDD 700APT, TDD TD 2500, FDD AWS-3, FDD 600, TDD TD 3700, TDD TD 3500, TDD 39GHz, TDD 28GHz, n12                                                                                                                                                                                      |
| Wireless Interface: | NFC, IEEE 802.11a/b/g/n/ac, Bluetooth 5.0 LE                                                                                                                                                                                                                                                                                                       |
| Bluetooth Profiles: | A2DP                                                                                                                                                                                                                                                                                                                                               |

Display

|                     |                                                                                              |
|---------------------|----------------------------------------------------------------------------------------------|
| Diagonal Size:      | 6"                                                                                           |
| Display Resolution: | 2340 x 1080 pixels                                                                           |
| Display Format:     | Full HD+                                                                                     |
| Pixel Density:      | 432 ppi                                                                                      |
| Aspect Ratio:       | 19.5:9                                                                                       |
| Colour Depth:       | 16.7 million colours                                                                         |
| HDR:                | Yes                                                                                          |
| Contrast Ratio:     | 1000000:1                                                                                    |
| Features:           | Always-on display, Now Playing, Smooth Display (up to 90 Hz), display with transmissive hole |

Second Camera

|                      |                       |
|----------------------|-----------------------|
| Sensor Resolution:   | 16 Megapixel          |
| Lens Type:           | Ultra wide-angle lens |
| Lens Aperture:       | F/2.2                 |
| Field of View (FoV): | 107 degree(s)         |
| Pixel Size:          | 1 µm                  |

Main Camera

|                           |                                |
|---------------------------|--------------------------------|
| Sensor Resolution:        | 12.2 Megapixel                 |
| Optical Image Stabiliser: | Optical Image Stabiliser (OIS) |
| Lens Aperture:            | F/1.7                          |
| Field of View (FoV):      | 77 degree(s)                   |
| Pixel Size:               | 1.4 µm                         |
| Focus Adjustment:         | Automatic                      |

## Phone Features

|                      |                                                                                                                                               |                    |                                                                                                                                                                                    |
|----------------------|-----------------------------------------------------------------------------------------------------------------------------------------------|--------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Phone Functions:     | Speakerphone, voice control, call timer, conference call, flight mode, voice dialing, vibrating alert                                         | Light Source:      | Flash                                                                                                                                                                              |
| Sensors:             | Accelerometer, ambient light sensor, proximity sensor, barometer, magnetometer, gyro sensor, flicker sensor, spectral sensor                  | Video Resolutions: | 1920 x 1080 (1080p) at 30 fps, 1920 x 1080 (1080p) at 60 fps, 3840 x 2160 (4K) at 30 fps, 3840 x 2160 (4K) at 60 fps, 1920 x 1080 (1080p) at 120 fps, 1280 x 720 (720p) at 240 fps |
| Security Devices:    | Fingerprint reader                                                                                                                            | Features:          | Electronic Image Stabiliser (EIS), Dual Pixel Phase Detect Auto-Focus (PDAF)                                                                                                       |
| Additional Features: | MIMO technology, Three microphones, Noise suppression, Titan M Security Module, 3 years of security and OS updates, Reverse wireless charging |                    |                                                                                                                                                                                    |

## Media Player

|                                    |                            |
|------------------------------------|----------------------------|
| Supported Digital Audio Standards: | AAC, apt-X, LDAC, apt-X HD |
|------------------------------------|----------------------------|

## Main Camera

|                    |                                                                                                                                                                                    |
|--------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Light Source:      | Flash                                                                                                                                                                              |
| Video Resolutions: | 1920 x 1080 (1080p) at 30 fps, 1920 x 1080 (1080p) at 60 fps, 3840 x 2160 (4K) at 30 fps, 3840 x 2160 (4K) at 60 fps, 1920 x 1080 (1080p) at 120 fps, 1280 x 720 (720p) at 240 fps |
| Features:          | Electronic Image Stabiliser (EIS), Dual Pixel Phase Detect Auto-Focus (PDAF)                                                                                                       |

## Front Camera

|                      |                               |
|----------------------|-------------------------------|
| Sensor Resolution:   | 8 Megapixel                   |
| Lens Aperture:       | F/2.0                         |
| Focus Adjustment:    | Focus free                    |
| Field of View (FoV): | 83 degree(s)                  |
| Pixel Size:          | 1.12 µm                       |
| Video Resolutions:   | 1920 x 1080 (1080p) at 30 fps |

## Memory

|                           |                      |
|---------------------------|----------------------|
| RAM:                      | LPDDR4X SDRAM - 8 GB |
| Internal Memory Capacity: | 128 GB               |

## Graphics System

|                       |                     |
|-----------------------|---------------------|
| Graphics Accelerator: | Qualcomm ADRENO 620 |
|-----------------------|---------------------|

## Processor

|                     |                          |
|---------------------|--------------------------|
| Type:               | Qualcomm Snapdragon 765G |
| Clock Speed:        | 2.4 GHz                  |
| Processor Core Qty: | 8-core                   |
