| Product Description:  | HPE - network adapter - USB                                                                                                                                                                                                                                                                                |
| Device Type:          | Network adapter                                                                                                                                                                                                                                                                                            |
| Form Factor:          | External                                                                                                                                                                                                                                                                                                   |
| Interface (Bus) Type: | USB                                                                                                                                                                                                                                                                                                        |
| Data Link Protocol:   | 10Mb LAN                                                                                                                                                                                                                                                                                                   |
| Designed For:         | Nimble Storage dHCI Medium Solution with HPE ProLiant DL325 Gen10, Medium Solution with HPE ProLiant DL360 Gen10, Small Solution with HPE ProLiant DL360 Gen10; ProLiant DL160 Gen10, DL180 Gen10, DL325 Gen10, DL360 Gen10, DL385 Gen10, DL560 Gen10, DX560 Gen10, ML350 Gen10, XL170r Gen10, XL450 Gen10 |

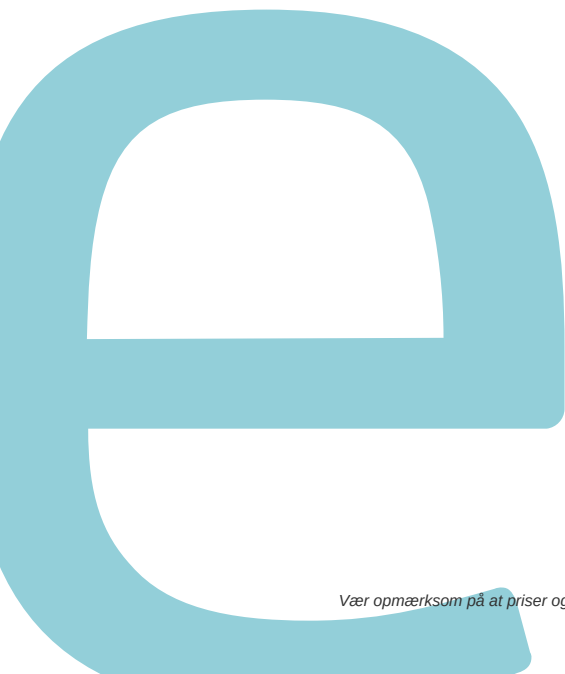

## General

|                       |                 |
|-----------------------|-----------------|
| Device Type:          | Network adapter |
| Form Factor:          | External        |
| Interface (Bus) Type: | USB             |

## Compatibility Information

## Networking

|                          |          |
|--------------------------|----------|
| Connectivity Technology: | Wired    |
| Data Link Protocol:      | Ethernet |

## Compatibility Information

### Designed For:

HPE Apollo 4200 Gen10 ; HPE Nimble  
Storage dHCI Medium Solution with HPE  
ProLiant DL325 Gen10 Plus, Medium  
Solution with HPE ProLiant DL360 Gen10,  
Small Solution with HPE ProLiant DL360  
Gen10 ; HPE ProLiant DL160 Gen10 Base,  
DL160 Gen10 Entry, DL160 Gen10 SMB,
