| SKU                    | JD217A#ABB                                                                                                                                                     |
| Product Description:   | HPE - power supply - 650 Watt                                                                                                                                  |
| Device Type:           | Power supply - internal                                                                                                                                        |
| Localisation:          | English / Europe                                                                                                                                               |
| Power Capacity:        | 650 Watt                                                                                                                                                       |
| Manufacturer Warranty: | 1-year warranty                                                                                                                                                |
| Designed For:          | HPE 6602, 6604, 6608, 6616, 7502, 7503-S Switch with 1 Fabric Slot, 7506, 7506-V; FlexNetwork 7503, 7510 Switch with 2x2.4Tbps Fabric and Main Processing Unit |

## General

|               |                         |
|---------------|-------------------------|
| Device Type:  | Power supply - internal |
| Localisation: | English / Europe        |

## Power Device

|                 |          |
|-----------------|----------|
| Power Capacity: | 650 Watt |
|-----------------|----------|

## Compatibility Information

|               |                                                                                                                                                                     |
|---------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Designed For: | HPE 6602, 6604, 6608, 6616, 7502, 7503-S Switch with 1 Fabric Slot, 7506, 7506-V ; HPE FlexNetwork 7503, 7510 Switch with 2x2.4Tbps Fabric and Main Processing Unit |
|---------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------|

## Manufacturer Warranty

|                    |                           |
|--------------------|---------------------------|
| Service & Support: | Limited warranty - 1 year |
|--------------------|---------------------------|
