

# HP Pro t550 - USFF - Celeron J6412 2 GHz - 8 GB - flash 32 GB

04-06-2024

|                      |                                                                                          |
|----------------------|------------------------------------------------------------------------------------------|
| SKU                  | 5H0N5EA#UUW                                                                              |
| Product Description: | HP Pro t550 - USFF - Celeron J6412 2 GHz - 8 GB - flash 32 GB                            |
| Type:                | Thin client - ultra small form factor                                                    |
| Localisation:        | Language: Danish, Norwegian, Finnish, Swedish / region: Denmark, Finland, Norway, Sweden |
| Processor:           | 1 x Intel Celeron J6412 / 2 GHz (, up to 2.6 GHz, (Quad-Core)                            |
| Cache Memory:        | 1.5 MB L2 Cache                                                                          |
| Cache Per Processor: | 1.5 MB                                                                                   |
| RAM:                 | 8 GB (installed) / 16 GB (max) - DDR4 SDRAM - non-ECC                                    |

## General

|                      |                                                                                          |
|----------------------|------------------------------------------------------------------------------------------|
| Type:                | Thin client                                                                              |
| Product Form Factor: | Ultra small form factor                                                                  |
| Embedded Security:   | Trusted Platform Module (TPM 2.0) Security Chip                                          |
| Localisation:        | Language: Danish, Norwegian, Finnish, Swedish / region: Denmark, Finland, Norway, Sweden |

## Environmental Parameters

|                            |                           |
|----------------------------|---------------------------|
| Min Operating Temperature: | 10 °C                     |
| Max Operating Temperature: | 40 °C                     |
| Humidity Range Operating:  | 10 - 90% (non-condensing) |

## Dimensions & Weight (Shipping)

|                  |          |
|------------------|----------|
| Shipping Weight: | 2.879 kg |
|------------------|----------|

## Processor / Chipset

|                    |                     |
|--------------------|---------------------|
| CPU:               | Intel Celeron J6412 |
| Clock Speed:       | 2 GHz               |
| Max Turbo Speed:   | 2.6 GHz             |
| Number of Cores:   | Quad-Core           |
| CPU Qty:           | 1                   |
| Max CPU Qty:       | 1                   |
| CPU Upgradability: | Not upgradable      |

## Dimensions & Weight

|         |        |
|---------|--------|
| Width:  | 3.5 cm |
| Depth:  | 20 cm  |
| Height: | 20 cm  |
| Weight: | 1.3 kg |

## Cache Memory

|                      |                   |
|----------------------|-------------------|
| Installed Size:      | L2 Cache - 1.5 MB |
| Cache Per Processor: | 1.5 MB            |

## Manufacturer Warranty

|                    |                                              |
|--------------------|----------------------------------------------|
| Service & Support: | Limited warranty - parts and labour - 1 year |
|--------------------|----------------------------------------------|

## Sustainability Information

|                        |     |
|------------------------|-----|
| ENERGY STAR Certified: | Yes |
|------------------------|-----|

RAM

|                         |                       |
|-------------------------|-----------------------|
| Installed Size:         | 8 GB / 16 GB (max)    |
| Technology:             | DDR4 SDRAM - non-ECC  |
| Effective Memory Speed: | 3200 MHz              |
| Rated Memory Speed:     | 3200 MHz              |
| Form Factor:            | SO-DIMM 260-pin       |
| Slots:                  | 1 (Total) / 0 (empty) |
| Configuration Features: | 1 x 8 GB              |

Hard Drive

|           |             |
|-----------|-------------|
| Type:     | Flash - M.2 |
| Capacity: | 1 x 32 GB   |
| Features: | eMMC        |

Optical Storage

|       |                  |
|-------|------------------|
| Type: | No optical drive |
|-------|------------------|

Monitor

|               |       |
|---------------|-------|
| Monitor Type: | None. |
|---------------|-------|

Graphics Controller

|                         |                    |
|-------------------------|--------------------|
| Graphics Processor:     | Intel UHD Graphics |
| Video Interfaces:       | DisplayPort        |
| Max Monitors Supported: | 2                  |

Input Device

|       |                 |
|-------|-----------------|
| Type: | Mouse, keyboard |
|-------|-----------------|

Operating System / Software

|              |                                                                                                                                           |
|--------------|-------------------------------------------------------------------------------------------------------------------------------------------|
| OS Provided: | IGEL OS                                                                                                                                   |
| Software:    | HP Easy Tools, HP Device Manager, HP ThinUpdate, HP True Graphics, HP Easy Shell, Microsoft SCCM/EDM-agent, HP Smart Zero Client Services |

Power

|                    |                         |
|--------------------|-------------------------|
| Device Type:       | Power adapter           |
| Power Device Name: | HP Smart AC Adapter     |
| Voltage Required:  | AC 100-240 V (50/60 Hz) |
| Power Provided:    | 45 Watt                 |

Miscellaneous

|                             |                                                                                                                                                                      |
|-----------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Theft/Intrusion Protection: | Security lock slot (cable lock sold separately)                                                                                                                      |
| Security Slot Type:         | Kensington security slot                                                                                                                                             |
| Compliant Standards:        | FCC Class B certified, UL, BSMI, GS, CB, CCC, ICES Class B, WEEE, KCC Class B, AS/NZS, ERP, CECP, RoHS2, VCCI Class B, CISPR Class B, SEPA, low halogen, HP GSE, CNS |

Expansion / Connectivity

|             |                                                                                                                                                                                                            |
|-------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Slots:      | 1 (total) / 0 (free) x M.2 Card (for internal storage)                                                                                                                                                     |
| Interfaces: | 2 x USB 3.2 Gen 1 (2 front) ; 1 x USB-C 3.2 Gen 1 (1 in front) ; 2 x USB 2.0 (2 rear) ; Headphones/microphone (1 in front) ; 2 x DisplayPort 1.2 ; 1 x LAN (Gigabit Ethernet) ; 2 x USB 3.2 Gen 2 (2 rear) |

Networking

|                      |                                           |
|----------------------|-------------------------------------------|
| Ethernet Controller: | Realtek RTL8111HSH-CG                     |
| Data Link Protocol:  | Ethernet, Fast Ethernet, Gigabit Ethernet |

Mouse

|             |         |
|-------------|---------|
| Mouse Name: | HP 320M |
|-------------|---------|

## Keyboard

|                |         |
|----------------|---------|
| Keyboard Name: | HP 320K |
| Interface:     | USB     |
