

Intel Ethernet Converged Network Adapter X550-T2 - network adapter - PCIe 3.0 x4 - 10Gb Ethernet x 2

13-05-2024

SKU	X550T2BLK
Product Description:	Intel Ethernet Converged Network Adapter X550-T2 - network adapter - PCIe 3.0 x4 - 10Gb Ethernet x 2
Device Type:	Network adapter
Form Factor:	Plug-in card - low profile
Interface (Bus) Type:	PCI Express 3.0 x4
PCI Specification Revision:	PCIe 3.0
Ports:	10Gb Ethernet x 2
Cabling Type:	Ethernet 10GBase-T

General

Device Type:	Network adapter
Form Factor:	Plug-in card - low profile
Interface (Bus) Type:	PCI Express 3.0 x4
PCI Specification Revision:	PCIe 3.0

Miscellaneous

Compliant Standards:	FCC Class B certified, UL, VCCI, C-Tick, BSMI, RoHS
Package Type:	Bulk

Expansion / Connectivity

Interfaces:	2 x 10GBase-T - RJ-45
-------------	-----------------------

Processor / Memory

Processor:	Intel
------------	-------

Networking

Ports:	10Gb Ethernet x 2
--------	-------------------

Connectivity Technology:	Wired
--------------------------	-------

Cabling Type:	Ethernet 10GBase-T
---------------	--------------------

Data Link Protocol:	Gigabit Ethernet, 10 Gigabit Ethernet, Fibre Channel over Ethernet (FCoE)
---------------------	---

Data Transfer Rate:	10 Gbps
---------------------	---------

Network / Transport Protocol:	TCP/IP, UDP/IP, IPSec, iSCSI
-------------------------------	------------------------------

Remote Management Protocol:	SNMP, RMON
-----------------------------	------------

Features:	VLAN support, QoS, VMDq
-----------	-------------------------

Compliant Standards:	IEEE 802.1Q
----------------------	-------------
