| Product Description: | Lenovo 65W Standard AC Adapter (USB Type-C) - power adapter - 65 Watt                                                                                                                                                                                |
| Device Type:         | Power adapter - external                                                                                                                                                                                                                             |
| Weight:              | 222 g                                                                                                                                                                                                                                                |
| Localisation:        | Saudi Arabia, Australia, China, Fiji, Indonesia, Israel, Papua New Guinea, South Africa, Hong Kong, New Zealand, Sri Lanka, Taiwan, Thailand, Malaysia, India, Philippines, Korea, Guam, Denmark, Italy, Switzerland, United Kingdom, European Union |
| Input Voltage:       | AC 100-240 V                                                                                                                                                                                                                                         |
| Output Voltage:      | 5 - 20 V                                                                                                                                                                                                                                             |
| Power Capacity:      | 65 Watt                                                                                                                                                                                                                                              |

## General

Device Type: Power adapter - external

Localisation: Saudi Arabia, Australia, China, Fiji, Indonesia, Israel, Papua New Guinea, South Africa, Hong Kong, New Zealand, Sri Lanka, Taiwan, Thailand, Malaysia, India, Philippines, Korea, Guam, Denmark, Italy, Switzerland, United Kingdom, European Union

## Dimensions & Weight

|         |         |
|---------|---------|
| Width:  | 4.6 cm  |
| Depth:  | 10.8 cm |
| Height: | 2.85 cm |
| Weight: | 222 g   |

## Environmental Parameters

|                            |                          |
|----------------------------|--------------------------|
| Min Operating Temperature: | 5 °C                     |
| Max Operating Temperature: | 40 °C                    |
| Humidity Range Operating:  | 8 - 80% (non-condensing) |

## Miscellaneous

Compliant Standards: C-Tick, BSMI, GOST, cUL, GS, NEMKO, NOM, CB, CCC, PSB, FCC, PSE Mark, ICES, MEPS, KC, CECP, SIRIM

|               |                              |
|---------------|------------------------------|
| Pricing Type: | Field Replaceable Unit (FRU) |
|---------------|------------------------------|

## Power Device

|                       |              |
|-----------------------|--------------|
| Input Voltage:        | AC 100-240 V |
| Frequency Required:   | 50/60 Hz     |
| Output Voltage:       | 5 - 20 V     |
| Max Electric Current: | 3.25 A       |
| Power Capacity:       | 65 Watt      |
