| Product Description: | Lenovo ThinkPad T14 Gen 4 - 14" - AMD Ryzen 7 Pro - 7840U - 32 GB RAM - 512 GB SSD - Nordic (Danish/Finnish/Norwegian/Swedish) |
| Product Type:        | Notebook - 180-degree hinge design                                                                                             |
| Operating System:    | Win 11 Pro - Danish / English / Finnish / Norwegian / Swedish                                                                  |
| Processor:           | AMD Ryzen 7 Pro 7840U / 3.3 GHz, up to 5.1 GHz / 16 MB Cache                                                                   |
| Memory:              | 32 GB LPDDR5X (provided memory is soldered)                                                                                    |
| Storage:             | 512 GB SSD - TCG Opal Encryption 2, NVMe                                                                                       |
| Display:             | 14" 1920 x 1200 / WUXGA                                                                                                        |

## General

|                   |                                                                   |
|-------------------|-------------------------------------------------------------------|
| Product Type:     | Notebook - 180-degree hinge design                                |
| Operating System: | Windows 11 Pro - Danish / English / Finnish / Norwegian / Swedish |

## Environmental Parameters

|                            |         |
|----------------------------|---------|
| Min Operating Temperature: | 5 °C    |
| Max Operating Temperature: | 35 °C   |
| Humidity Range Operating:  | 8 - 95% |

## Processor / Chipset

|                  |                                 |
|------------------|---------------------------------|
| CPU:             | AMD Ryzen 7 Pro 7840U / 3.3 GHz |
| Max Turbo Speed: | 5.1 GHz                         |
| Number of Cores: | 8-core                          |
| Cache:           | L3 - 16 MB                      |
| Features:        | Integrated memory controller    |

## Manufacturer Warranty

|                    |                                                                                                                                                               |
|--------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Service & Support: | Base warranty - 3 years - pick-up and return<br>! Base warranty - battery - 1 year ! Extended warranty - 3 years - on-site - response time: next business day |
| Bundled Services:  | 3 Years Lenovo Premier Support, CO2 Offset 0.5 ton                                                                                                            |

## Memory

|              |                                     |
|--------------|-------------------------------------|
| RAM:         | 32 GB (provided memory is soldered) |
| Technology:  | LPDDR5X SDRAM                       |
| Speed:       | 6400 MHz                            |
| Rated Speed: | 6400 MHz                            |

## Sustainability Information

|                        |            |
|------------------------|------------|
| TCO Certified:         | -          |
| EPEAT Compliant:       | EPEAT Gold |
| ENERGY STAR Certified: | Yes        |

## Storage

|               |                                                                              |
|---------------|------------------------------------------------------------------------------|
| Main Storage: | 512 GB SSD M.2 2280 PCIe 4.0 x4 - TCG Opal Encryption 2, NVMe Express (NVMe) |
|---------------|------------------------------------------------------------------------------|

## Dimensions & Weight

|                     |                               |
|---------------------|-------------------------------|
| Dimensions (WxDxH): | 31.77 cm x 22.69 cm x 1.79 cm |
| Weight:             | 1.38 kg                       |

Display

|                           |                     |
|---------------------------|---------------------|
| Type:                     | 14" - IPS           |
| Resolution:               | 1920 x 1200 (WUXGA) |
| Widescreen:               | Yes                 |
| Image Aspect Ratio:       | 16:10               |
| Image Brightness:         | 300 cd/m²           |
| Horizontal Viewing Angle: | +85 / -85           |
| Vertical Viewing Angle:   | +85 / -85           |
| Colour Gamut:             | 45% NTSC            |
| Features:                 | Anti-glare          |

Audio & Video

|                         |                                                                                                        |
|-------------------------|--------------------------------------------------------------------------------------------------------|
| Graphics Processor:     | AMD Radeon 780M                                                                                        |
| Max Monitors Supported: | 3 external monitor(s)                                                                                  |
| Camera:                 | Yes - 1080p                                                                                            |
| Camera Features:        | Privacy shutter, Windows Hello, fixed focus, hybrid FHD/IR camera, Ultrasonic Human Presence Detection |
| Sound:                  | Stereo speakers, dual array microphone                                                                 |
| Codec:                  | Realtek ALC3287                                                                                        |
| Compliant Standards:    | High Definition Audio, Dolby Audio                                                                     |
| Audio Features:         | Input: Dolby Voice, 360° far-field                                                                     |

Input

|                     |                                                                                     |
|---------------------|-------------------------------------------------------------------------------------|
| Type:               | Keyboard, TrackPoint, UltraNav                                                      |
| Keyboard Backlight: | Yes                                                                                 |
| Keyboard Layout:    | Nordic (Danish/Finnish/Norwegian/Swedish)                                           |
| Features:           | Spill-resistant, multi-touch touchpad, Fn keys with Unified Communications controls |

Communications

|           |                                               |
|-----------|-----------------------------------------------|
| Wireless: | Bluetooth 5.1, 802.11a/b/g/n/ac/ax (Wi-Fi 6E) |
|-----------|-----------------------------------------------|

Miscellaneous

|                               |                                                                                                                                                                                                                         |
|-------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Colour:                       | Thunder black                                                                                                                                                                                                           |
| Case Material:                | Carbon fibre hybrid (top), polyphenylene sulfide (bottom)                                                                                                                                                               |
| Security:                     | Discrete Trusted Platform Module (TPM 2.0) Security Chip with Microsoft Pluton, fingerprint reader, smart card reader                                                                                                   |
| Features:                     | Administrator password, system password, power-on password, RapidCharge, MIL-STD-810H tested, NVMe password, Firmware Resiliency 3.0, certificate based BIOS authentication, FIDO (Fast Identity Online) authentication |
| Theft/Intrusion Protection:   | Security lock slot (cable lock sold separately)                                                                                                                                                                         |
| Security Slot Type:           | Kensington nano security slot                                                                                                                                                                                           |
| Included Accessories:         | USB-C power adapter                                                                                                                                                                                                     |
| Compliant Standards:          | RoHS, Energy-Related Products (ErP) Lot 6, TCG Certified, Energy-Related Products (ErP) Lot 26, TCO Certified 9.0                                                                                                       |

Software

|                    |                      |
|--------------------|----------------------|
| Software Included: | Glance by Mirametrix |
|--------------------|----------------------|

Connections & Expansion

|                     |                                                                                                                                                                                                                               |
|---------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Interfaces Details: | USB 3.2 Gen 1 (Always On) ; USB 3.2 Gen 1 ; USB-C 3.2 Gen 2 (supports DisplayPort 1.4a Alt Mode) (Power Delivery 3.0) ; USB4 (supports DisplayPort 1.4a Alt Mode) ; HDMI (4K support) ; LAN ; Headphone/microphone combo jack |
|---------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

AC Adapter

|        |                         |
|--------|-------------------------|
| Input: | AC 100-240 V (50/60 Hz) |
|--------|-------------------------|

## Communications

Wireless Controller: Qualcomm NFA725A

Network Interface: Gigabit Ethernet

Ethernet Controller: Realtek RTL8111EPV

Features: Wake-on-LAN (WOL), dual stream (2x2)

Compliant Standards: DASH

## AC Adapter

Output: 65 Watt

## Wireless Broadband (WWAN)

Generation: 4G upgradable

## Battery

Technology: Lithium polymer

Capacity: 52.5 Wh
