| SKU                  | 0A65619                                                                |
| Product Description: | Lenovo ThinkPad USB 3.0 Secure - hard drive - 500 GB - USB 3.0         |
| Type:                | Hard drive - external (portable)                                       |
| Capacity:            | 500 GB                                                                 |
| Interface:           | USB 3.0                                                                |
| Data Transfer Rate:  | 5.0 Gbps (USB 3.0)                                                     |
| Spindle Speed:       | 5400 rpm                                                               |
| Features:            | Shock resistant, built-in keypad, password authentication, 256-bit AES |

General

|              |                                                                        |
|--------------|------------------------------------------------------------------------|
| Device Type: | Hard drive - external (portable)                                       |
| Capacity:    | 500 GB                                                                 |
| Interface:   | USB 3.0                                                                |
| Features:    | Shock resistant, built-in keypad, password authentication, 256-bit AES |
| Width:       | 8.7 cm                                                                 |
| Depth:       | 12.2 cm                                                                |
| Height:      | 1.9 cm                                                                 |
| Weight:      | 200 g                                                                  |

Performance

|                             |                                                                                                         |
|-----------------------------|---------------------------------------------------------------------------------------------------------|
| Interface Transfer Rate:    | 5.0 Gbps (USB 3.0)                                                                                      |
| Max Data Transfer Rate:     | 75 MB/s                                                                                                 |
| Data Transfer Rate Details: | USB 3.0 (read): 75 MB/s   USB 3.0 (write): 55 MB/s   USB 2.0 (read): 33 MB/s   USB 2.0 (write): 25 MB/s |
| Spindle Speed:              | 5400 rpm                                                                                                |

Expansion & Connectivity

|             |             |
|-------------|-------------|
| Interfaces: | 1 x USB 3.0 |
|-------------|-------------|

Environmental Parameters

|                            |         |
|----------------------------|---------|
| Min Operating Temperature: | 5 °C    |
| Max Operating Temperature: | 55 °C   |
| Humidity Range Operating:  | 5 - 95% |

Manufacturer Warranty

|                    |                            |
|--------------------|----------------------------|
| Service & Support: | Limited warranty - 3 years |
|--------------------|----------------------------|

Miscellaneous

|                       |               |
|-----------------------|---------------|
| Included Accessories: | Carrying case |
|-----------------------|---------------|

|                  |                                                                 |
|------------------|-----------------------------------------------------------------|
| Cables Included: | 1 x USB cable - integrated   1 x USB extension cable - external |
|------------------|-----------------------------------------------------------------|

|                      |                                        |
|----------------------|----------------------------------------|
| Compliant Standards: | UL, VCCI, C-Tick, BSMI, cUL, FCC, ICES |
|----------------------|----------------------------------------|

Software & System Requirements

|              |                                                                                 |
|--------------|---------------------------------------------------------------------------------|
| OS Required: | Microsoft Windows 7, Microsoft Windows XP SP2 or later, Microsoft Windows Vista |
|--------------|---------------------------------------------------------------------------------|

Power

|               |         |
|---------------|---------|
| Power Source: | USB bus |
|---------------|---------|
