| Product Description: | Lenovo ThinkSmart Hub - all-in-one - Core i5 8365UE 1.6 GHz - vPro - 16 GB - SSD 256 GB - LED 10.1" |
| Type:                | Personal computer - all-in-one                                                                      |
| Bundled Services:    | 3 Years Lenovo Premier Support, First Year Maintenance                                              |
| Platform Technology: | Intel vPro Platform                                                                                 |
| Localisation:        | Region: Nordics                                                                                     |
| Processor:           | Intel Core i5 (8th Gen) 8365UE / 1.6 GHz (, up to 4.1 GHz, (Quad-Core)                              |
| Cache Memory:        | 6 MB                                                                                                |

## General

|                      |                                                          |
|----------------------|----------------------------------------------------------|
| Platform Technology: | Intel vPro Platform                                      |
| Type:                | Personal computer                                        |
| Bundled Services:    | 3 Years Lenovo Premier Support, First Year Maintenance   |
| Product Form Factor: | All-in-one                                               |
| Built-in Devices:    | 4 speakers, 3-colour LED ring                            |
| Sensors:             | Proximity sensor                                         |
| Embedded Security:   | Discrete Trusted Platform Module (TPM 2.0) Security Chip |
| Colour:              | Raven black, red (bottom cover)                          |
| Localisation:        | Region: Nordics                                          |

## Processor / Chipset

|                  |                                |
|------------------|--------------------------------|
| CPU:             | Intel Core i5 (8th Gen) 8365UE |
| Clock Speed:     | 1.6 GHz                        |
| Max Turbo Speed: | 4.1 GHz                        |
| Number of Cores: | Quad-Core                      |
| CPU Qty:         | 1                              |
| Max CPU Qty:     | 1                              |

## Dimensions & Weight (Shipping)

|                  |         |
|------------------|---------|
| Shipping Width:  | 29.7 cm |
| Shipping Depth:  | 33.2 cm |
| Shipping Height: | 26.2 cm |
| Shipping Weight: | 4.62 kg |

## Dimensions & Weight

|         |          |
|---------|----------|
| Width:  | 24 cm    |
| Depth:  | 20 cm    |
| Height: | 18.53 cm |
| Weight: | 2.45 kg  |

## Manufacturer Warranty

|                    |                                                                                                              |
|--------------------|--------------------------------------------------------------------------------------------------------------|
| Service & Support: | Base warranty - 3 years - on-site ; Extended warranty - 3 years - on-site - response time: next business day |
|--------------------|--------------------------------------------------------------------------------------------------------------|

## Operating System / Software

|              |                                                                                |
|--------------|--------------------------------------------------------------------------------|
| OS Provided: | Windows 11 IoT Enterprise GAC Danish / English / Finnish / Norwegian / Swedish |
|--------------|--------------------------------------------------------------------------------|

## Power

## Cache Memory

|                      |      |
|----------------------|------|
| Installed Size:      | 6 MB |
| Cache Per Processor: | 6 MB |

## RAM

|                         |                                  |
|-------------------------|----------------------------------|
| Installed Size:         | 16 GB                            |
| Technology:             | DDR4 SDRAM                       |
| Effective Memory Speed: | 2400 MHz                         |
| Rated Memory Speed:     | 2666 MHz                         |
| Features:               | Dual channel memory architecture |
| Configuration Features: | Provided memory is soldered      |

## Hard Drive

|                 |                    |
|-----------------|--------------------|
| Type:           | SSD - M.2 2280     |
| Capacity:       | 1 x 256 GB         |
| Interface Type: | PCI Express 3.0 x4 |
| Features:       | NVM Express (NVMe) |

## Optical Storage

|       |                  |
|-------|------------------|
| Type: | No optical drive |
|-------|------------------|

## Power

|                   |                         |
|-------------------|-------------------------|
| Device Type:      | Power adapter           |
| Voltage Required: | AC 100-240 V (50/60 Hz) |
| Power Provided:   | 90 Watt                 |
| Efficiency:       | 88%                     |

## Miscellaneous

|                             |                                                                               |
|-----------------------------|-------------------------------------------------------------------------------|
| Cables Included:            | ThinkSmart One Cable                                                          |
| Theft/Intrusion Protection: | Security lock slot (cable lock sold separately), secure cable management door |
| Security Slot Type:         | Kensington security slot                                                      |
| Compliant Standards:        | RoHS, TCG Certified, TUV Ultra Low Noise Certification                        |

|                               |           |
|-------------------------------|-----------|
| Manufacturer Selling Program: | TopSeller |
|-------------------------------|-----------|

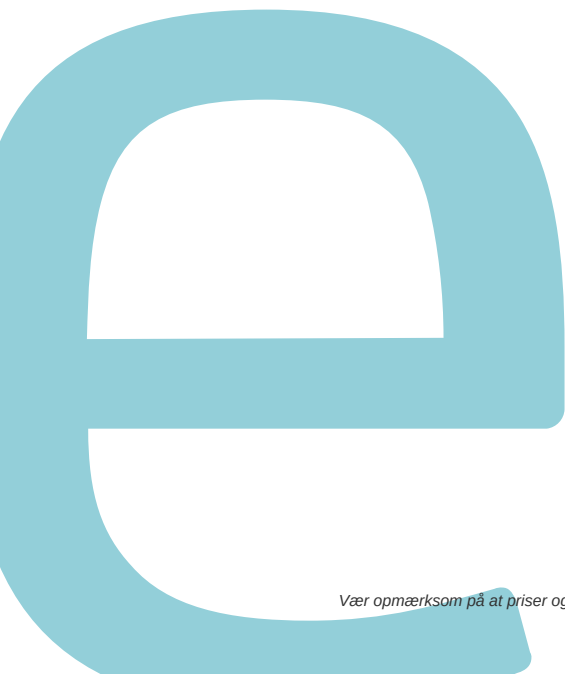

## Expansion / Connectivity

|             |                                                                                                                                                                               |
|-------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Interfaces: | 1 x USB-C 3.2 Gen 2 (1 side)   2 x USB 3.2 Gen 2 (2 side)   1 x HDMI input (1 side)   DisplayPort output (1 side)   1 x LAN (1 side)   1 x headphones/microphone (1 in front) |
|-------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

## Networking

|                         |                                                                                                                                 |
|-------------------------|---------------------------------------------------------------------------------------------------------------------------------|
| Ethernet Controller:    | Intel I219-LM                                                                                                                   |
| Wireless LAN Supported: | Yes                                                                                                                             |
| Wireless NIC:           | Intel Wireless-AC 9560                                                                                                          |
| Data Link Protocol:     | Ethernet, Fast Ethernet, Gigabit Ethernet, IEEE 802.11b, IEEE 802.11a, IEEE 802.11g, IEEE 802.11n, IEEE 802.11ac, Bluetooth 5.0 |
| Features:               | Wake on LAN (WoL), Intel Active Management Technology (AMT) 12, dual stream (2x2)                                               |

## Audio Input

## Audio Input

Type: 4 microphones

## Input Device

Type: No keyboard, no mouse

## Audio Output

Compliant Standards: High Definition Audio

Speakers Included: 4

## Graphics Controller

Graphics Processor: Intel UHD Graphics 620 Shared Video Memory (UMA)

Video Interfaces: HDMI, DisplayPort

Max Monitors Supported: 2

## Monitor

Monitor Type: LED

Touchscreen: Yes (10-point multi-touch)

Diagonal Size: 10.1"

Native Resolution: 1920 x 1200 (WUXGA)

V-Sync Rate at Max Res.: 60 Hz

Widescreen Display: Yes

Image Aspect Ratio: 16:10

Image Brightness: 320 cd/m<sup>2</sup>

Image Contrast Ratio: 1000:1

Monitor Features: Anti-glare, 360° rotatable, smudge resistant, TDDI Technology
