| SKU                     | WH1000XM4B.CE7                                               |
| Product Description:    | Sony WH-1000XM4 - headphones with mic                        |
| Product Type:           | Headphones - Bluetooth - wireless, wired - NFC - 3.5 mm jack |
| Recommended Use:        | Portable electronics                                         |
| Additional Functions:   | Touch panel                                                  |
| Colour:                 | Black                                                        |
| Headphones Form Factor: | Full size                                                    |
| Foldable:               | Yes                                                          |

## General

|                         |                                                              |
|-------------------------|--------------------------------------------------------------|
| Product Type:           | Headphones - Bluetooth - wireless, wired - NFC - 3.5 mm jack |
| Additional Functions:   | Touch panel                                                  |
| Colour:                 | Black                                                        |
| Earpad Material:        | Urethane foam                                                |
| Recommended Use:        | Portable electronics                                         |
| Features:               | Touch control                                                |
| Max Operating Distance: | 10 m                                                         |
| High-Resolution Audio:  | Yes                                                          |

## Power

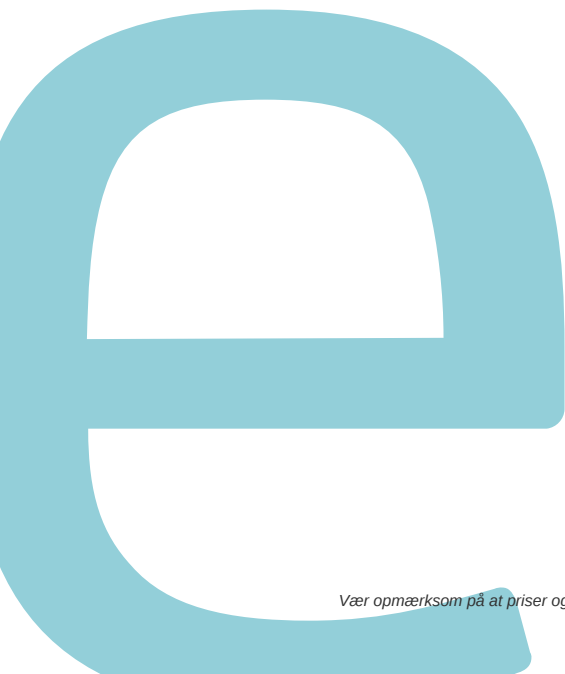

|                   |                                                                                                                                      |
|-------------------|--------------------------------------------------------------------------------------------------------------------------------------|
| Battery:          | Headphone battery rechargeable                                                                                                       |
| Run Time (Up To): | 38 hour(s)                                                                                                                           |
| Run Time Details: | Continuous playback (active noise-cancelling on): up to 30 hours   Continuous playback (active noise-cancelling off): up to 38 hours |
| Standby Time:     | 200 hours                                                                                                                            |
| Recharge Time:    | 3 hour(s)                                                                                                                            |

## Miscellaneous

|                       |                                                                                                   |
|-----------------------|---------------------------------------------------------------------------------------------------|
| Included Accessories: | Carrying case, in-flight plug adapter, headphones cable (1.2 m), USB-C cable (0.2m)               |
| Cable Details:        | USB-C charge cable - detachable   Audio cable - OFC - L shaped / mini-phone stereo 3.5 mm - 1.2 m |

## Internet of Things (IoT)

|                                      |                         |
|--------------------------------------|-------------------------|
| Internet of Things (IoT) Compatible: | Yes                     |
| Intelligent Assistant:               | Google Assistant, Alexa |

## Cable

|                   |     |
|-------------------|-----|
| Detachable Cable: | Yes |
|-------------------|-----|

## Connections

|                 |                                                                      |
|-----------------|----------------------------------------------------------------------|
| Connector Type: | USB (power only)   Bluetooth   Headphones (mini-phone stereo 3.5 mm) |
|-----------------|----------------------------------------------------------------------|

## Tracking

|          |                                |
|----------|--------------------------------|
| Sensors: | Proximity sensor, touch sensor |
|----------|--------------------------------|

## Remote Control

|           |                            |
|-----------|----------------------------|
| Controls: | Volume control, ANC on/off |
|-----------|----------------------------|

## Microphone

|              |          |
|--------------|----------|
| Form Factor: | Built-in |
|--------------|----------|

|                       |   |
|-----------------------|---|
| Microphones Included: | 5 |
|-----------------------|---|

## Audio Output

|                         |           |
|-------------------------|-----------|
| Headphones Form Factor: | Full size |
|-------------------------|-----------|

|                      |        |
|----------------------|--------|
| Headphones Cup Type: | Closed |
|----------------------|--------|

|           |     |
|-----------|-----|
| Foldable: | Yes |
|-----------|-----|

|                        |         |
|------------------------|---------|
| Headphones Technology: | Dynamic |
|------------------------|---------|

|                          |                 |
|--------------------------|-----------------|
| Connectivity Technology: | Wireless, wired |
|--------------------------|-----------------|

|                      |           |
|----------------------|-----------|
| Wireless Technology: | Bluetooth |
|----------------------|-----------|

|                        |                |
|------------------------|----------------|
| Bluetooth Audio Codec: | SBC, AAC, LDAC |
|------------------------|----------------|

|                    |               |
|--------------------|---------------|
| Bluetooth Version: | Bluetooth 5.0 |
|--------------------|---------------|

|                     |                                                                                                                                                                                 |
|---------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Bluetooth Profiles: | Hands-Free Profile (HFP), Headset Profile (HSP), Advanced Audio Distribution Profile (A2DP), Audio/Video Remote Control Profile (AVRCP), Serial Copy Management System (SCMS-T) |
|---------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

## Audio Output

|                |                                                                                                    |
|----------------|----------------------------------------------------------------------------------------------------|
| Sound Effects: | Digital Sound Enhancement Engine Extreme (DSEE Extreme), Adaptive Sound Control, 360 Reality Audio |
|----------------|----------------------------------------------------------------------------------------------------|

|                         |     |
|-------------------------|-----|
| Active Noise Canceling: | Yes |
|-------------------------|-----|

|                                     |                                        |
|-------------------------------------|----------------------------------------|
| Active Noise Cancelling Technology: | Ambient Sound Mode / Dual Noise Sensor |
|-------------------------------------|----------------------------------------|

|            |                              |
|------------|------------------------------|
| Diaphragm: | Aluminium coated LCP - 40 mm |
|------------|------------------------------|

|                  |           |
|------------------|-----------|
| Magnet Material: | Neodymium |
|------------------|-----------|

|           |                                                                                                                                                                                                                                    |
|-----------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Features: | HD Noise Canceling Processor QN1, Speak-to-chat technology, Precise Voice Pickup Technology, Quick Attention function, CCAW coil, Smart Listening Technology, Personal Noise Cancelling Optimiser, Atmospheric Pressure Optimising |
|-----------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
