| Product Description: | StarTech.com 2m CAT6 Ethernet Cable, 10 Gigabit Snagless RJ45 650MHz 100W PoE Patch Cord, CAT 6 10GbE UTP Network Cable w/Strain Relief, Black, Fluke Tested/Wiring is UL Certified/TIA - Category 6 - 24AWG (N6PATC2MBK) - patch cable - 2 m - black |
| Type:                | Patch cable - CAT 6                                                                                                                                                                                                                                   |
| Technology:          | Unshielded twisted pair (UTP)                                                                                                                                                                                                                         |
| Wiring Scheme:       | T568B                                                                                                                                                                                                                                                 |
| Wires per Cable:     | 8 wires                                                                                                                                                                                                                                               |
| Features:            | Molded, snagless                                                                                                                                                                                                                                      |
| Length:              | 2 m                                                                                                                                                                                                                                                   |

## General

|                            |                               |
|----------------------------|-------------------------------|
| Network Cable Type:        | Patch cable - CAT 6           |
| Technology:                | Unshielded twisted pair (UTP) |
| Wiring Scheme:             | T568B                         |
| Jacket Material:           | PVC                           |
| American Wire Gauge (AWG): | 24                            |
| Wires per Cable:           | 8 wires                       |
| Pairs per Cable:           | 4 pairs                       |
| Plated Connector:          | Gold                          |
| Features:                  | Molded, snagless              |
| Length:                    | 2 m                           |
| Colour:                    | Black                         |

## Manufacturer Warranty

|                    |                           |
|--------------------|---------------------------|
| Service & Support: | Limited lifetime warranty |
|--------------------|---------------------------|

## Miscellaneous

|                      |                                          |
|----------------------|------------------------------------------|
| Compliant Standards: | RoHS, ETL, TIA/EIA-568-B - up to 500 MHz |
|----------------------|------------------------------------------|

## Connectivity

|                         |              |
|-------------------------|--------------|
| Connector:              | RJ-45 - male |
| Connector (Second End): | RJ-45 - male |
