| Product Description:    | StarTech.com 2m USB A to USB C Charging Cable, Durable Fast Charge & Sync USB 2.0 to USB Type C Data Cord, Rugged TPE Jacket Aramid Fiber M/M 3A White, Samsung S10, S20, iPad Pro, Pixel - Heavy Duty and Rugged - USB-C cable - USB to 24 pin USB-C - 2 m |
| Type:                   | USB-C cable                                                                                                                                                                                                                                                 |
| Technology:             | Double shielded                                                                                                                                                                                                                                             |
| Features:               | Strain relief, EMI protection                                                                                                                                                                                                                               |
| Length:                 | 2 m                                                                                                                                                                                                                                                         |
| Connector:              | 4 pin USB Type A - male - straight                                                                                                                                                                                                                          |
| Connector (Second End): | 24 pin USB-C - male - straight                                                                                                                                                                                                                              |

## General

|                            |                                |
|----------------------------|--------------------------------|
| Type:                      | USB-C cable                    |
| Technology:                | Double shielded                |
| Shielding Material:        | Aluminum mylar foil with braid |
| Jacket Material:           | Thermoplastic elastomer (TPE)  |
| American Wire Gauge (AWG): | 23/32                          |
| Plated Connector:          | Nickel                         |
| Features:                  | Strain relief, EMI protection  |
| Length:                    | 2 m                            |
| Colour:                    | White                          |
| Width:                     | 1.4 cm                         |
| Height:                    | 0.7 cm                         |
| Weight:                    | 35 g                           |

## Dimensions & Weight (Shipping)

|                    |                           |
|--------------------|---------------------------|
| Shipping Width:    | 16 cm                     |
| Shipping Depth:    | 7.5 cm                    |
| Shipping Height:   | 3 cm                      |
| Shipping Weight:   | 40 g                      |
| Service & Support: | Limited lifetime warranty |

## Miscellaneous

|                      |                                      |
|----------------------|--------------------------------------|
| Compliant Standards: | Thunderbolt 3 / USB 2.0, RoHS, REACH |
|----------------------|--------------------------------------|

## Connectivity

|                         |                                    |
|-------------------------|------------------------------------|
| Connector:              | 4 pin USB Type A - male - straight |
| Connector (Second End): | 24 pin USB-C - male - straight     |
