| Product Description: | StarTech.com Dual Monitor USB 3.0 Laptop Docking Station with HDMI/DVI/VGA & 6xUSB Ports - Universal USB Dock for Mac & Windows - Black (USB3SDOCKHD) - docking station - USB - 1GbE |
| Product Type:        | Docking station                                                                                                                                                                      |
| Docking Interface:   | USB                                                                                                                                                                                  |
| Dimensions (WxDxH):  | 19.6 cm x 7.7 cm x 12.6 cm                                                                                                                                                           |
| Weight:              | 364 g                                                                                                                                                                                |
| Colour:              | Black                                                                                                                                                                                |
| Networking:          | Gigabit Ethernet                                                                                                                                                                     |

## General

|                   |                 |
|-------------------|-----------------|
| Product Type:     | Docking station |
| Width:            | 19.6 cm         |
| Depth:            | 7.7 cm          |
| Height:           | 12.6 cm         |
| Weight:           | 364 g           |
| Enclosure Colour: | Black           |

## Networking

|                     |                                           |
|---------------------|-------------------------------------------|
| Data Link Protocol: | Ethernet, Fast Ethernet, Gigabit Ethernet |
|---------------------|-------------------------------------------|

## Expansion / Connectivity

|             |                                                                                                                                                                                                                                                                                                                                                                                                        |
|-------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Interfaces: | 2 x SuperSpeed USB 3.0 - 9 pin USB Type A ; 4 x USB 2.0 - 4 pin USB Type A ; 1 x network - 10Base-T/100Base-TX/1000Base-T - RJ-45 ; 1 x headphones - output - mini-phone stereo 3.5 mm ; 1 x microphone - input - mini-phone 3.5 mm ; 1 x SuperSpeed USB 3.0 - 9 pin USB Type B ; 1 x display / video - DVI-Analog/Digital (dual link) - 24+5 pin combined DVI ; 1 x video - HDMI - 19 pin HDMI Type A |
|-------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

## Compatibility Information

|               |                                                                                           |
|---------------|-------------------------------------------------------------------------------------------|
| Designed For: | P/N: ARMBARDUO, ARMBARDUOV, ARMDUAL, ARMDUAL30, ARMDUALV, ARMSLIMDUO, SVA5M4NEUA, TB33A1C |
|---------------|-------------------------------------------------------------------------------------------|

## Environmental Parameters

|                            |       |
|----------------------------|-------|
| Min Operating Temperature: | 10 °C |
| Max Operating Temperature: | 40 °C |

## Manufacturer Warranty

|                    |                            |
|--------------------|----------------------------|
| Service & Support: | Limited warranty - 3 years |
|--------------------|----------------------------|

## System Requirements

|              |                                                                                                                                                                                                                               |
|--------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| OS Required: | Microsoft Windows XP (32-bit) SP3, Apple MacOS X 10.6 - 10.12, Google Chrome OS 55 or later, Apple macOS 11.0, Apple macOS 10.14 - 10.15, Microsoft Windows Vista / 7 / 8 / 8.1 / 10 / 11, Apple macOS 12.0, Apple macOS 13.0 |
|--------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

## Power

|               |                          |
|---------------|--------------------------|
| Power Device: | Power adapter - external |
|---------------|--------------------------|

## Miscellaneous

|                      |               |
|----------------------|---------------|
| Features:            | LED indicator |
| Compliant Standards: | FCC, RoHS     |
