| SKU                  | TS8GJF350                                                                                   |
| Product Description: | Transcend JetFlash 350 - USB flash drive - 8 GB                                             |
| Product Type:        | USB flash drive                                                                             |
| Interface Type:      | USB 2.0                                                                                     |
| Storage Capacity:    | 8 GB                                                                                        |
| Enclosure Colour:    | Black                                                                                       |
| Software Included:   | Transcend Elite                                                                             |
| OS Required:         | Linux Kernel 2.4.2 or later, Apple MacOS X 10.5 or later, Microsoft Windows XP / 7 / 8 / 10 |

## General

|                   |                 |
|-------------------|-----------------|
| Product Type:     | USB flash drive |
| Storage Capacity: | 8 GB            |
| Enclosure Colour: | Black           |

## Memory

|                 |               |
|-----------------|---------------|
| Interface Type: | USB 2.0       |
| Features:       | Key ring loop |

## Dimensions & Weight

|         |         |
|---------|---------|
| Width:  | 61.5 mm |
| Depth:  | 18.6 mm |
| Height: | 8.7 mm  |
| Weight: | 8.5 g   |

## Manufacturer Warranty

|                    |                             |
|--------------------|-----------------------------|
| Service & Support: | Limited warranty - lifetime |
|--------------------|-----------------------------|

## Software / System Requirements

|                    |                                                                                             |
|--------------------|---------------------------------------------------------------------------------------------|
| Software Included: | Transcend Elite                                                                             |
| OS Required:       | Linux Kernel 2.4.2 or later, Apple MacOS X 10.5 or later, Microsoft Windows XP / 7 / 8 / 10 |

## Miscellaneous

|                            |                                                                                                                                                                                        |
|----------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Compatible with Windows 7: | "Compatible with Windows 7" software and devices carry Microsoft's assurance that these products have passed tests for compatibility and reliability with 32-bit and 64-bit Windows 7. |
