| Product Description:         | Xerox DocuMate 6440 - document scanner - desktop - USB 2.0 |
| Device Type:                 | Document scanner - desktop                                 |
| Interface Type:              | USB 2.0                                                    |
| Scanning Sensor Type:        | CCD                                                        |
| Light Source:                | LED                                                        |
| Max Supported Document Size: | 241 x 2997 mm                                              |
| Input Type:                  | Colour                                                     |

## General

|                              |                            |
|------------------------------|----------------------------|
| Type:                        | Document scanner - desktop |
| Interface Type:              | USB 2.0                    |
| Max Supported Document Size: | 241 x 2997 mm              |

## Dimensions & Weight

|         |         |
|---------|---------|
| Width:  | 31.6 cm |
| Depth:  | 16.8 cm |
| Height: | 19.1 cm |
| Weight: | 4.2 kg  |

## Scanner

|                             |                               |
|-----------------------------|-------------------------------|
| Input Type:                 | Colour                        |
| Grayscale Depth (External): | 8-bit (256 grey levels)       |
| Colour Depth (External):    | 24-bit (16.7 million colours) |
| Optical Resolution:         | 600 dpi                       |
| Interpolated Resolution:    | 1200 dpi                      |
| Automatic Duplexing:        | Yes                           |
| Scanning Sensor Type:       | CCD                           |
| Bulb / Light Source Type:   | LED                           |

## Software / System Requirements

|                              |                                                                                                                         |
|------------------------------|-------------------------------------------------------------------------------------------------------------------------|
| Software Included:           | Drivers & Utilities, Nuance PaperPort, Visioneer OneTouch, Visioneer Acuity, Nuance Power PDF, Nuance OmniPage Ultimate |
| OS Required:                 | Microsoft Windows XP, Microsoft Windows 7, Microsoft Windows Vista, Windows 8, Windows 10                               |
| System Requirements Details: | Windows XP/Vista/7/8/10 - Pentium 4<br>RAM 2 GB - HD 350 MB (USB)                                                       |

## Environmental Standards

|                        |     |
|------------------------|-----|
| ENERGY STAR Certified: | Yes |
|------------------------|-----|

## Miscellaneous

|                  |               |
|------------------|---------------|
| Cables Included: | 1 x USB cable |
|------------------|---------------|

## Expansion / Connectivity

|                     |         |
|---------------------|---------|
| Interfaces Details: | USB 2.0 |
|---------------------|---------|

## Scanner

|                                 |                                                                                                                             |
|---------------------------------|-----------------------------------------------------------------------------------------------------------------------------|
| Max Document Scan Speed B/W:    | 60 ppm                                                                                                                      |
| Max Document Scan Speed Colour: | 60 ppm                                                                                                                      |
| Duty Cycle:                     | 6000 scans per day                                                                                                          |
| Scanner Speed Details:          | 60 ppm - black & white - 200 dpi   60 ppm - colour - 200 dpi   40 ppm - black & white - 300 dpi   40 ppm - colour - 300 dpi |
| Scan File Formats:              | PDF                                                                                                                         |
| Compliant Standards:            | TWAIN, ISIS, WIA                                                                                                            |

## Media Handling

|                                  |                                  |
|----------------------------------|----------------------------------|
| Max Document Size:               | 241 mm x 2997 mm                 |
| Supported Document Type:         | Plain paper, plastic card, photo |
| Supported Document Size Details: | ADF - up to 241 x 2997 mm        |
| Document Feeder Type:            | Automatic                        |
| Document Storage Capacity:       | 80 sheets                        |
