

# Zebra MC3300x - data collection terminal - Android 10 - 32 GB - 4"

25-06-2024

|                        |                                                                    |
|------------------------|--------------------------------------------------------------------|
| SKU                    | MC330L-SJ2EG4RW                                                    |
| Product Description:   | Zebra MC3300x - data collection terminal - Android 10 - 32 GB - 4" |
| Product Type:          | Data collection terminal - rugged                                  |
| Operating System:      | Android 10                                                         |
| Display:               | 4" colour LED backlight - 800 x 480                                |
| Processor:             | Qualcomm Snapdragon 660 (8-core)                                   |
| Processor Clock Speed: | 2.2 GHz                                                            |
| Storage:               | 32 GB                                                              |

## General

|                   |                                   |
|-------------------|-----------------------------------|
| Product Type:     | Data collection terminal - rugged |
| Operating System: | Android 10                        |

## Display

|             |                                                       |
|-------------|-------------------------------------------------------|
| Type:       | 4" colour - LED backlight                             |
| Resolution: | 800 x 480                                             |
| Features:   | Corning Gorilla glass, touch screen, glove touch mode |

## Processor

|                        |                         |
|------------------------|-------------------------|
| Processor:             | Qualcomm Snapdragon 660 |
| Processor Clock Speed: | 2.2 GHz                 |
| Number of Cores:       | 8-core                  |

## Memory

|                               |                               |
|-------------------------------|-------------------------------|
| Storage:                      | 32 GB                         |
| RAM:                          | 4 GB                          |
| Supported Flash Memory Cards: | microSD, microSDHC, microSDXC |
| Max Supported Capacity:       | 512 GB                        |

## Communications

## Environmental Parameters

|                            |                          |
|----------------------------|--------------------------|
| Min Operating Temperature: | -20 °C                   |
| Max Operating Temperature: | 50 °C                    |
| Humidity Range Operating:  | 5 - 95% (non-condensing) |
| Min Storage Temperature:   | -40 °C                   |
| Max Storage Temperature:   | 70 °C                    |

## Manufacturer Warranty

|                    |                           |
|--------------------|---------------------------|
| Service & Support: | Limited warranty - 1 year |
|--------------------|---------------------------|

## Dimensions & Weight

|         |          |
|---------|----------|
| Width:  | 7.47 cm  |
| Depth:  | 3.45 cm  |
| Height: | 20.22 cm |
| Weight: | 445 g    |

## Miscellaneous

|          |                                   |
|----------|-----------------------------------|
| Sensors: | Gyro sensor, 3-axis accelerometer |
|----------|-----------------------------------|

Communications

Wireless Connectivity: 802.11a/b/g/n/ac, NFC, Bluetooth 5.0

|                                |                                                                                                                                                                    |
|--------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Security Protocols & Features: | LEAP, WEP, WPA, WPA2, TKIP, AES, EAP-TTLS, EAP-TLS, WPA2-Enterprise, PAP, MS-CHAP, MS-CHAPv2, PEAPv0, PEAPv1, EAP-GTC, IPv6 support, EAP-PWD, WPA-Enterprise, GCMP |
|--------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------|

Multimedia

Audio: Microphone, speaker

Input Device

Type: 29 keys numeric keyboard, 2 side programmable buttons

|           |    |
|-----------|----|
| Keys Qty: | 29 |
|-----------|----|

Barcodes

Barcode Reader: Yes

|                    |           |
|--------------------|-----------|
| Scan Element Type: | 2D imager |
|--------------------|-----------|

Software

Preloaded Software: Google Mobile Services

Miscellaneous

|           |                                                                                                                                                                                                                  |
|-----------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Features: | Interactive Sensor Technology (IST), hot-swappable battery, drop-resistant, vibration, Straight Shooter Form Factor, push-to-talk speaker, 2x2 MiMo function, ESD protection, SE4770 Standard Range Array Imager |
|-----------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

|                      |                                                                                                                                                                                                                                                                              |
|----------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Compliant Standards: | EN55024, ICES-003 Class B, RSS-102, FCC Part 2, UL 60950-1, IEC 60950-1, EN 60950-1, MIL-STD 810G, IP64, EN 62311, RoHS 2011/65/EU, EN 50566, FCC Part 15 Class B, EN 301 489-1, EN 55032 Class B, REACH SvHC, EN 301 489-3, EN 50364, CAN/CSA-C22.2 No. 60950-1, EN 62369-1 |
|----------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

|               |               |
|---------------|---------------|
| Localisation: | Rest of World |
|---------------|---------------|

Battery

Technology: PowerPrecision+ - Lithium Ion

|           |          |
|-----------|----------|
| Capacity: | 7000 mAh |
|-----------|----------|

Recharge Time: 5 hour(s)

Expansion and Connectivity

Expansion Slots: 1 x microSD

|             |             |
|-------------|-------------|
| Interfaces: | 1 x USB 2.0 |
|-------------|-------------|

USB Host: Yes
